Atul Foundation
Annual Report 2019-20

The logo of Atul Foundation Trust (Atul Foundation) is a representation of the tree of life. The tree symbolises the interconnection and metaphorical co-dependency of all aspects of life. It endeavours to convey that we do not exist for our own narrow objectives, but are part of the integrated ecosystem. We will make our own journey of life more meaningful if our way of living reflects a larger purpose.

The cover page is a photograph of one of the *anganwadis* renovated under the Model Anganwadi project. Atul Foundation has renovated 17 *anganwadis* located in and around *Atul*. The project included renovation of the existing infrastructure as well as adding kitchen and toilet. The interior design and that of the surrounding area are made vibrant and child friendly. It created a positive impact on the village community and also resulted in more children coming to *anganwadis*.

Legacy

Much before the concept of Corporate Social Responsibility had evolved into its present form, Atul Ltd (Atul) has been engaged in serving the society with diverse initiatives in the fields of education, health and infrastructure. Mr Kasturbhai Lalbhai, the Founder of Atul and an Indian legend, ensured complete commitment to community development and welfare in every company he established. The primary reason for the establishment of Atul was to generate large scale employment and consequently improve the standard of living in rural India. His passion to give back to the society was reflected in his daily schedule; he spent half a day on growing businesses while the other half was dedicated solely to social service. He appointed Mr Balwantraji Mazumdar, an economist and Mr Siddharth Lalbhai, his elder son and a chemical engineer, to develop Atul, both of whom continued with the fine legacy.

In 1978, Mr Siddharth Lalbhai laid the foundation of Atul Rural Development Fund in an endeavour to further the rich legacy of his father and bring focus to rural development projects undertaken by Atul. He personally oversaw each project which was being implemented and took keen interest in consistently improving the quality, variety and impact of such projects.

Over the years, with an increase in the number and scope of projects related to serving the society, Atul Foundation was established in 2010 as an umbrella trust of Atul.

Kasturbhai Lalbhai (1894 - 1980)

The legacy of Mr Kasturbhai Lalbhai has been synonymous with three terms in the broadest sense: excellence, perseverance and trusteeship.

Social responsibility must include sympathy, helpfulness and willingness to forego self interest in order to promote the welfare, happiness and contentment of others and of the country as a whole.

~ Kasturbhai Lalbhai

Balwantrai Mazumdar (1902 -1981)

An economist, Mr Balwantrai Mazumdar was a voracious reader, sound thinker, patient listener and a farsighted professional. He created an atmosphere of camaraderie that brought out the collective best in the people of Atul. He was the moving force behind making the first site of Atul one of the largest eco-friendly manufacturing facilities of its kind in the world. He remained with the Group till the end of his life as did most of the people who worked with Mr Kasturbhai Lalbhai.

Siddharth Lalbhai (1923 - 1998)

A chemical engineer and the elder son of our Founder, Mr Siddharth Lalbhai dedicated his life to the development of Atul. He accorded equal value to creation of wealth and service to society. The principles of trusteeship that he upheld, the personal qualities of integrity, perseverance and simplicity that he lived by and the single-minded devotion that he gave to tasks on hand will always remain our guiding force.

Chairperson's foreword

Dear All,

I am happy to present the Annual Report 2019-20 of Atul Foundation Trust.

Just when 2019-20 was about to end, COVID-19 pandemic scripted a new chapter in the life of human beings and has since forced new normal ways of living. The pandemic, amongst others (such as simplicity, minimalism, hygiene and exercise), has taught us that strengthening villages and making them self-reliant (*atmanirbhar*) is the way forward for India. Atul Foundation in its own small way is working in villages to unravel their potential.

During 2019-20, Atul Foundation continued with the initiatives to provide quality education - Atul Adhyapikas created significant change in reading, writing and basic arithmetic capabilities amongst children of class 1 to class 4. Students of Atul Vidyamandir made themselves and their school proud with their achievements in sports, fine arts and academics - they won many state and national level medals. Throughout the year, life skills training was imparted to teachers of all the institutions. The Foundation trained 1,139 tribal youth in various vocational courses apart from imparting training to 161 farmers in beekeeping. 500 individual household toilets were built in 15 villages of Gujarat. 5,807 patients from 30 interior villages of Gujarat were treated through 44 eye camps and health camps along with blood donation camps. 3,633 students from 13 schools and 321 women of nearby villages were given treatment for anaemia and made aware about the disease. In response to COVID-19, it distributed 3,887 grocery kits to daily wage earners and needy people from 25 villages. Face masks were stitched and donated to corona warriors and NGOs. It developed 17 Model Anganwadis in seven villages and renovated a school and hostel to provide better infrastructure to the students from rural areas in and around Atul. In an endeavour to protect the environment, it planted 40,211 trees.

It also took special initiatives to pay tribute to the legendary Founder of Atul, Mr Kasturbhai Lalbhai on his 125th birth anniversary.

In the present uncertain times of the pandemic, Atul Foundation is committed to protect health and well-being, particularly of those less fortunate. It is working on developing large number of Poshanwadis in villages, building Model Anganwadis and implementing household solid waste management projects in villages to create sustainable impact on the lives and livelihoods of rural communities. It contributed ₹ 3 cr to the PM CARES Fund and ₹ 2 cr to the Gujarat Chief Minister Relief Fund to complement the mighty efforts of the government.

On behalf of Atul Foundation, I wish to express gratitude to all the supporters and well-wishers.

With best wishes,
Sincerely,

(Vimla Lalbhai)
Chairperson

Organisation

Great things are brought about and burdens are lightened through the efforts of many hands anxiously engaged in a good cause.

Response to COVID-19 pandemic

There is no higher religion than human service. To work for the common good is the greatest creed.

~ Woodrow Wilson

Through these uncertain and testing times of COVID-19, Atul Foundation has stepped up its support to different communities. It has gathered resources and skills to stand by the lesser privileged, migrant workers, front line community workers and the government. The Foundation responded to the crisis in the following ways:

Preventive | protective measures to combat COVID-19

Atul Foundation ensures that health and safety remain its primary focus in all actions that it undertakes in response to COVID-19 pandemic.

Protection through mask: Atul Institute of Vocational Excellence has lent its support and strength by stitching over 1,00,000 masks. 24,200 masks have been donated to protect *anganwadi* workers, female health workers, ICDS staff, blood banks, NGO volunteers and individuals. The masks are being stitched by the rural women trained by the institute. The user-friendly masks are also available for individuals at low rates.

Awareness drive: Education and awareness among the communities is the key step to fight against COVID-19. Atul Foundation is constantly trying to remain in touch with its 3,424 students, more than 300 teachers and ground level staff members. The Foundation provides education and awareness to team members through virtual medium. It ensures that all the team members are aware about the safety guidelines. 84 Atul Adhyapikas from interior locations are running awareness campaigns in their own villages and contributing their bit to fight against COVID-19. The Foundation has educated over 20,000 students, parents and youth on protective measures against COVID-19 and on building immunity.

Relief measures to support needy

Contribution: Atul Ltd has contributed ₹ 3 cr to PM CARES Fund and ₹ 2 cr to Gujarat Chief Minister Relief Fund to support the government to manage the crisis.

Ensure availability of ration: Many migrant and unorganised sector workers lost their source of earning due to sudden lockdown announced in the country. The Foundation has supported 3,887 families from 25 villages by providing them grocery kits. All the precautions and guidelines were followed during the process of making and distributing kits.

Support to migrant workers: The Foundation has assisted the migrant workers to reach their native place safely. They were also provided with water and refreshments to sustain them during their long journey back home.

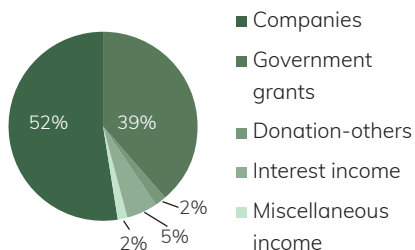

Cooked meal for needy people: During the COVID-19 lockdown, many labourers, daily wage earners and homeless people faced difficulties to get a single square meal per day. To reduce their agony and struggle for food, Atul Foundation in association with Lokmangalam Charitable Trust provided cooked meals to 400 needy people from Valsad city.

Make a difference

We can change the world and make it a better place. It is in our hands to make a difference.

~ Nelson Mandela

Ever since its inception, Atul Ltd is conducting its business in an inclusive way. Atul Foundation Trust is working to achieve sustainable development, particularly in rural areas to help uplift the lives of the underprivileged. The Foundation (FY 2019-2020 project spend: ₹ 790.75 lakhs, administration cost: ₹ 17.10 lakhs) provides a complete account of the funds received for various projects and sends its Annual Report to every donor.

If you wish to join our endeavour of enhancing the standard of living of the less fortunate and are looking for an organisation that will channelise and direct 100% of your contribution to projects at hand, Atul Foundation may be a good option. Given below are some of the projects the Foundation is currently implementing. If you wish to sponsor any project(s), please write to contact@atulfoundation.org

Contributions or donations to Atul Foundation qualify for tax exemption under Section 80G of the Income Tax Act, 1961.

The donation amount may be remitted, along with the requisite information with respect to how you wish to participate (project, corpus, etc), by drawing a cheque in favour of Atul Foundation Trust and sending through RTGS as per the details given below:
