Atul Foundation  
Annual Report 2018-19

The logo of Atul Foundation Trust (Atul Foundation) is a representation of the tree of life. The tree symbolises the interconnection and metaphorical codependency of all aspects of life. It endeavours to convey that we do not exist for our own narrow objectives, but are part of the integrated ecosystem. We will make our own journey of life more meaningful if our way of living reflects a larger purpose.

The cover page is a photograph of one of our Atul Adhyapikas teaching in a Prathamik Shala, in Valsad district, Gujarat. 63 Atul Adhyapikas are teaching in 62 primary schools in 53 villages with an aim to improve basic education among rural children.

# Legacy

---

Much before the concept of Corporate Social Responsibility had evolved into its present form, Atul Ltd (Atul) has been engaged in serving the society with diverse initiatives in the fields of education, health and infrastructure. Mr Kasturbhai Lalbhai, the Founder of Atul and an Indian legend, ensured complete commitment to community development and welfare in every company he established. The primary reason for the establishment of Atul was to generate large scale employment and consequently improve the standard of living in rural India. His passion to give back to the society was reflected in his daily schedule; he spent half a day on growing businesses while the other half was dedicated solely to social service. He appointed Mr Balwantrao Mazumdar, an economist and Mr Siddharth Kasturbhai, his elder son and a chemical engineer, to develop Atul, both of whom continued with the fine legacy.

In 1978, Mr Siddharth Kasturbhai laid the foundation of Atul Rural Development Fund in an endeavour to further the rich legacy of his father and bring focus to rural development projects undertaken by Atul. He personally oversaw each project which was being implemented and took keen interest in consistently improving the quality, variety and impact of such projects.

Over the years, with an increase in the number and scope of projects related to serving the society, Atul Foundation was established in 2010 as an umbrella trust of Atul.

## Kasturbhai Lalbhai (1894 - 1980)

The legacy of Mr Kasturbhai Lalbhai has been synonymous with three terms in the broadest sense: excellence, perseverance and trusteeship.

Social responsibility must include sympathy, helpfulness and willingness to forego self interest in order to promote the welfare, happiness and contentment of others and of the country as a whole.

~ Kasturbhai Lalbhai

---

## Balwantraji Mazumdar (1902 - 1981)

An economist, Mr Balwantraji Mazumdar was a voracious reader, sound thinker, patient listener and a farsighted professional. He created an atmosphere of camaraderie that brought out the collective best in the people of Atul. He was the moving force behind making the first site of Atul one of the largest eco-friendly manufacturing facilities of its kind in the world. He remained with the Group till the end of his life as did most of the people who worked with Mr Kasturbhai Lalbhai.

---

## Siddharth Lalbhai (1923 - 1998)

A chemical engineer and the elder son of our Founder, Mr Siddharth Lalbhai dedicated his life to the development of Atul. He accorded equal value to creation of wealth and service to society. The principles of trusteeship that he upheld, the personal qualities of integrity, perseverance and simplicity that he lived by and the single-minded devotion that he gave to tasks on hand will always remain our guiding force.

Dear All,

I am happy to present you the Annual Report 2018-19 of Atul Foundation Trust (AFT).

Atul Ltd, the promoter of Atul Foundation believes in growing with the community and has been touching lives of many by serving the society since its inception in 1947. AFT is now the umbrella trust for serving the society.

During 2018-19, Atul Foundation made further efforts to improve the outreach by enhancing the quality of education - *Atul Adhyapikas* created a favourable environment that encouraged many dropouts to return to school. Atul Vidyamandir (caters to tribal students) took steps towards becoming a democratic school. The Foundation trained 6,669 students in various vocational courses and provided employment to 393 apprentices in Atul Ltd, much above the statutory limit defined by the Apprentice Act. It built 1,500 individual household toilets in 23 villages in Gujarat, reaching a total of 5,000 toilets so far. It provided relief to 500 families adversely affected due to the floods in Kerala. Since the last quarter of 2018-19, it has focused on improving *anganwadis*, sanitation and other facilities in primary schools in villages around Atul and Ankleshwar where the Company operates two of its manufacturing facilities. It worked in three villages on the project *Sujlam Suflam* initiated by the Government of Gujarat for deepening the local water resources. As a part of its initiative to conserve the environment, it planted 4,500 trees in neighbouring areas including 480 native trees, now named *Atul Vana*.

This year, Atul Foundation celebrates the 125<sup>th</sup> birth anniversary year of the inspiring and pioneering Founder of Atul, Mr Kasturbhai Lalbhai. Between December 2018 and December 2019, various initiatives have been planned to commemorate his contribution. The Foundation will be supporting 125 patients undergoing dialysis, providing assistance to 125 families to purchase a cow as well as extending a helping hand to 125 families who have specially abled children. *Atul Adhyapikas* visited 125 schools and conducted workshops on the values espoused by Kasturbhai. Furthermore, 125 students from Atul Vidyamandir performed street plays on health and hygiene in rural schools.

The work we do is ever-enriching and the more we experience the joy of giving, the more we are inspired and humbled. We are grateful to everyone who is supporting us directly or indirectly in this endeavour. We assure you of our best efforts in all that we undertake.

With best wishes,

Sincerely,

(Vimla Lalbhai)
