

## Quality Policy

Our **Quality Policy** is to:

- Supply quality products and services to meet the needs and expectations of our customers and thus become the most preferred partner.
- Understand new | existing market trends and continuously innovate to meet customer needs in time.
- Build strategic business partnerships with customers and suppliers to improve quality and enhance business results.
- Enhance the effectiveness of systems through a risk-based approach, continual improvement and periodic review of their adequacy and suitability.
- Ensure compliance to all applicable statutory, regulatory and other requirements.
- Upgrade competencies of our employees through continuous training and development.
