

Amal Ltd

Annual Report 2021-22

The logo of Amal Ltd portrays a diya whose constituents are an earthen pot, ghee, a wick and a flame. Our actions (symbolised by the ghee) will remain within the boundary of ethics (symbolised by the earthen pot) and we will through hard work (symbolised by the wick) achieve our purpose (symbolised by the flame).

Forward looking statements

In this annual report, we have shared information and made forward looking statements to enable investors to know our product portfolio, business logic and direction and thereby comprehend our prospects. Such statements that we make are based on our assumptions. We have tried wherever possible to identify such statements by using words such as 'anticipate', 'believe', 'estimate', 'intend', 'plan', 'project' or words of similar substance in connection with any discussion of future performance. We cannot guarantee that these forward looking statements will be realised although we believe we have been prudent in our assumptions. The actual results may be affected because of uncertainties, risks and even inaccurate assumptions. If uncertainties or known or unknown risks materialise or if underlying assumptions prove inaccurate, actual results can vary materially from those anticipated, believed, estimated, intended, planned or projected. We undertake no obligation to publicly update any forward looking statements, whether as a result of new information, future events or otherwise.

Amal Ltd is engaged in manufacturing and marketing of bulk chemicals such as Sulphuric acid and Oleum and their downstream products such as Sulphur dioxide and Sulphur trioxide. The plant is located in Ankleshwar, Gujarat, India.

Amal Ltd was promoted by Piramal Group in 1974-75; the controlling interest of the Company was sold to Atul Ltd in 1985-86.

The Company has incorporated a wholly-owned subsidiary Amal Specialty Chemicals Ltd on October 12, 2020.

Purpose

We are committed to significantly enhancing value for our stakeholders by:

fostering a spirit of continuous learning and innovation

adopting developments in science and technology

providing high quality product and services, thus becoming the most preferred partner

having people who practice Values and exemplify a high standard of behaviour

seeking sustained, dynamic growth and securing long-term success

taking responsible care of the surrounding environment

improving the quality of life of the communities we operate in

In an environment where change is a way of life, continuity of Values provides stability and is fundamental to us. We have therefore formalised key Values and are committed to institutionalising them. We will seek to create an environment wherein these Values are consistently practised and nurtured and ensured that they are not compromised.

INTEGRITY

Working with honesty, following the highest standards of professionalism. Integrity is when our decisions and actions remain consistent with our thoughts and words, written or spoken.

UNDERSTANDING

How well we work with others depends on our ways to connect and this in turn is based on our level of Understanding of human relationships. This certainly does not mean that we accept poor performance, but that we do it the right way. Understanding is the external manifestation of internal realisation.

UNITY

Working together and taking advantage of synergy while harnessing unique abilities of each of us to achieve a larger goal. Unity is the realisation that though we may work in different areas, we are finally interconnected and that interdependence is a higher order of living than independence. Though we may be many, we share a common purpose.

RESPONSIBILITY

Delivering value and taking ownership of actions. Responsibility must also give us the realisation that what is good for the business must be in the overall good. In essence, we must work with a spirit of trusteeship for the shareholders and other stakeholders. What comes to us must be returned many times over.

EXCELLENCE

A drive that is more from inside than outside; it is about us seeking to continuously improve and develop an eye for innovation even in day to day work. Excellence is about excelling in everything we do and not giving up. Excellence is also a journey, not simply a destination in itself.

Letter to the shareholders

Fellow shareholders,

2021-22 may forever be remembered as amongst the most uncertain fiscal because of the pandemic and later the geopolitical conflict. Nonetheless, as we write this letter, we wish to find **reasons to be hopeful** – our Company wiped out the remaining carried forward loss of ₹ 0.29 cr which at peak was ₹ 56 cr. Amal Speciality Chemicals Ltd (ASCL), a 100% subsidiary, will soon commission its new manufacturing facility for 300 mt per day of H₂SO₄ equivalent products in Ankleshwar.

Financial performance in **2021-22** declined because of low demand of finished products (particularly H₂SO₄ and SO₃) and high input prices (particularly of Sulphur) for most of 2021-22 – sales rose by 43% to ₹ 45 cr; EBIDTA decreased from 41% to 14%, PBT decreased by 69% to ₹ 3 cr and RoCE from 35% to 11%. The Directors did not recommend dividend consequent to a stipulation in the revival scheme; it is also prudent to wait till the new investment of ₹ 93 cr in ASCL delivers a positive impact.

During 2021-22, we adjusted the product portfolio which helped in preventing further fall in contribution margin by 1.2%. During the fiscal, we also completed further debottlenecking of the capacity of SO₃, Oleum 25% and H₂SO₄ which will help increase contribution margin. Furthermore, we added 17 team members who will be required to take up responsibilities in sync with the forthcoming new manufacturing facility of Amal Speciality Chemicals Ltd.

Our Company along with ASCL is expected to achieve **consolidated sales** of ~ ₹ 135 cr at full capacity utilisation. The new manufacturing facility is expected to be commissioned during the second quarter of 2022-23. Our first task will be to streamline the parameters and achieve the projections. Thereafter, we will focus on a few proposals on hand to grow our Company beyond. We will execute proposals based on market attractiveness and ability to compete.

So far, **2022-23** has seen the highest price of Sulphur, the key raw material, in the last 12 years. On the other hand, it has so far been difficult to pass on the entire increase. It is therefore possible that 2022-23 may see a pressure on prices of finished products such as H₂SO₄, Oleum, SO₃ and SO₂. In our view, such a

situation is unsustainable and will change for the better. Meanwhile, team Amal is taking several actions at the workplace and marketplace to enhance performance.

Our Company contributed ₹ 26 lakhs towards fulfilling its **obligation to society** – it was used for improving infrastructure of five schools and providing relief to COVID-19 patients in four hospitals. The mandate is to take up projects, no matter how small, in step with national priorities. The initiatives were implemented by Atul Foundation – you may like to see the link at the end of the letter. The concept 'serve and grow' is robust; it makes our Company sustainable.

We are grateful to our **customers** for giving us an opportunity to serve and grow our Company – their expectations help us improve our standards. We recognise and appreciate every member of **team Amal** who is persevering to improve performance. We value the engagement, analysis, value addition and guidance of the **Non-executive Directors**. In order to maintain continuity, we have inducted Mr Jyotin Mehta as an Independent Director.

We again reiterate our five **everlasting mandates**: one – drive efficiency in manufacturing and other processes, two – become financially resilient, three – boost people productivity and remain lean in fixed costs, four – pervade R&D and information technology in every function and five – work with customers on ideas with high potential. We believe that the above mandates will help our Company grow better and faster as it turns yet another page in its never-ending journey.

Sincerely,

(Rajeev Kumar)
Managing Director

(Sunil Lalbhai)
Chairman

Directors' Report

Dear Members,

The Board of Directors (Board) presents the annual report of Amal Ltd together with the audited Financial Statements for the year ended March 31, 2022.

01. Financial results

	(₹ lakhs)	
	2021-22	2020-21
Sales and other income	4,530	3,166
Profit before tax	332	1,086
Provision for tax	90	202
Profit for the year	242	885
Other comprehensive income (net of tax)	(1)	(1)
Profit after tax	241	884
Balance brought forward	(29)	(913)
Balance carried forward	212	(29)

02. Performance

During 2021-22, sales and other income increased by 43% (increase in selling price by 30% and sales volume of 13%) from ₹ 3,166 lakhs to ₹ 4,530 lakhs. The Company reported a profit before tax of ₹ 332 lakhs in 2021-22 against a profit before tax of ₹ 1,086 lakhs in 2020-21 due to high input cost.

03. Dividend

The Directors have not declared a dividend to partially meet the requirement of fund for the on-going project in Amal Speciality Chemicals Ltd, a wholly-owned subsidiary company.

04. Conservation of energy, technology absorption, foreign exchange earnings and outgo

Information required under Section 134(3) (m) of the Companies Act, 2013, read with Rule 8(3) of the Companies (Accounts) Rules, 2014, as amended from time to time, forms a part of this report which is given at page number 12.

05. Insurance

The Company has taken adequate insurance to cover the risks to its employees, property (land and buildings), plant, equipment, other assets and third parties.

06. Risk management

Risk management is an integral part of business practices of the Company. The framework of risk management concentrates on formalising a system to deal with the most relevant risks, building on existing management practices, knowledge and structures. With the help of a reputed international consultancy firm, the Company has developed and implemented a comprehensive risk management system to ensure that risks to the continued existence of the Company as a going concern and to its growth are identified and remedied on a timely basis. While defining and developing the formalised risk management system, leading standards and practices have been considered. The risk management system is relevant to business reality, pragmatic and simple and involves the following:

- i) Risk identification and definition - Focuses on identifying relevant risks, creating | updating clear definitions to ensure undisputed understanding along with details of the underlying root causes | contributing factors.

- ii) Risk classification - Focuses on understanding the various impacts of risks and the level of influence on its root causes. This involves identifying various processes, generating the root causes and a clear understanding of risk inter-relationships.
- iii) Risk assessment and prioritisation - Focuses on determining risk priority and risk ownership for critical risks. This involves assessment of the various impacts taking into consideration risk appetite and the existing mitigation controls.
- iv) Risk mitigation - Focuses on addressing critical risks to restrict their impact(s) to an acceptable level (within the defined risk appetite). This involves a clear definition of actions, responsibilities and milestones.
- v) Risk reporting and monitoring - Focuses on providing to the Audit Committee and the Board, periodic information on risk profile evolution and mitigation plans.

Roles and responsibilities

Governance

The Board has approved the Risk Management Policy of the Company. The Company has laid down procedures to inform the Board on i) to iv) listed above. The Audit Committee | Risk Management Committee periodically reviews the risk management system and gives its recommendations, if any, to the Board.

The Board reviews and guides the Risk Management Policy.

Implementation

Implementation of the Risk Management Policy is the responsibility of the Management. It ensures functioning of the risk management system as per the guidance of the Audit Committee | Risk Management Committee. The Company has a risk management oversight structure in

which each sub-segment has a Chief Risk and Compliance Officer.

The Management at various levels takes accountability for risk identification, appropriateness of risk analysis, and timeliness as well as adequacy of risk mitigation decisions at both individual and aggregate levels. It is also responsible for the implementation, tracking and reporting of defined mitigation plans, including periodic reporting to the Audit Committee and Board.

07. Internal financial controls

The internal financial controls over financial reporting are designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of the Financial Statements. These include those policies and procedures that:

- i) pertain to the maintenance of records, which in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company,
- ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of the Financial Statements in accordance with Generally Accepted Accounting Principles and that receipts and expenditures are being made only in accordance with authorisations of the Management and the Directors of the Company,
- iii) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use or disposition of the assets that can have a material effect on the Financial Statements. A reputed international consultancy firm has reviewed the adequacy of the internal financial controls with respect to the Financial Statements.

The Management assessed the effectiveness of the internal financial controls over financial reporting as of March 31, 2022, and the Board believes that the controls are adequate.

08. Fixed deposits

During 2021-22, the Company did not accept any fixed deposits.

09. Loans, guarantees, investments and security

Particulars of loans, guarantees, investments and security provided are given at page numbers 86.

10. Subsidiary, joint venture and associate entities

There is no change in subsidiary, joint venture and associate entities during 2021-22.

11. Related party transactions

All the transactions entered into with the related parties were in ordinary course of business and on arm's length basis. Details of such transactions are given at page number 99. No transactions were entered into by the Company that required disclosure in Form AOC-2.

12. Corporate social responsibility

Composition of the Corporate Social Responsibility (CSR) Committee, the CSR Policy and the CSR Report are given at page number 12.

13. Annual return

Annual return for 2021-22, is available on the website of the Company at www.amal.co.in/investors/information-for-stakeholders/annual-general-meeting/

14. Auditors

Statutory Auditors

Deloitte Haskins & Sells LLP, Chartered Accountants (DHS) were appointed as the Statutory Auditors of the Company at the 43rd Annual General Meeting (AGM) held on June 30, 2017, until the conclusion of the 48th AGM.

The first term of five years of DHS is expiring at the ensuing AGM. Pursuant to Section 139 of the Companies Act, 2013 and Rules made thereunder, the Company can reappoint DHS for second term of five years. Accordingly, based on the recommendation of the Audit Committee, the Board at its meeting held on April 22, 2022, recommended the reappointment of DHS, as the Statutory Auditors of the Company for a second term of five years. DHS will hold the office for a period of five consecutive years from the conclusion of the 48th AGM of the Company till the conclusion of the 53rd AGM to be held in the year 2027, subject to the approval of the members of the Company at the ensuing AGM. DHS has given its consent to act as the Auditors and confirmed its eligibility for reappointment.

The Auditor's Report for the financial year ended March 31, 2022, does not contain any qualification, reservation or adverse remark. The report is enclosed with the Financial Statements in this annual report.

Secretarial Auditors

The Board appointed SPANJ & Associates, as the Secretarial Auditors on January 21, 2022 and their report is given at page number 15.

15. Directors' responsibility statement

Pursuant to Section 134(5) of the Companies Act, 2013, the Directors confirm that, to the best of their knowledge and belief:

15.1 In preparation of the annual accounts for the financial year ended March 31, 2022, the applicable accounting standards have been followed and there are no material departures.

15.2 The accounting policies were selected and applied consistently and judgements and estimates thus made were reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the profit and loss of the Company for that period.

15.3 Proper and sufficient care was taken for the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities.

15.4 The attached annual accounts for the year ended March 31, 2022, were prepared on a going concern basis.

15.5 Adequate internal financial controls to be followed by the Company were laid down and they were adequate and operating effectively.

15.6 Proper systems were devised to ensure compliance with the provisions of all applicable laws and the same were adequate and operating effectively.

16. Directors

16.1 Appointments | Reappointments | Cessations

16.1.1 According to the Articles of Association of the Company, Mr Sunil Lalbhai retires by rotation and being eligible, offers himself for reappointment at the AGM scheduled on September 08, 2022.

16.1.2 Subject to the approval of the members in the AGM:

a) Mr Rajeev Kumar was reappointed as the Managing Director for a period of five years, effective March 24, 2022.

b) Mr Jyotin Mehta was appointed as an Independent Director for a period of five years, effective April 22, 2022.

In the opinion of the Board, the Independent Directors possess integrity, experience and expertise relevant to the Company.

16.2 Policies on appointment and remuneration

16.2.1 Appointment

While recommending appointment of the Directors, the Nomination and Remuneration Committee considers the following factors:

i) Qualification: well-educated and experienced in senior leadership positions in industry | profession

ii) Traits: positive attributes and qualities

iii) Independence: criteria prescribed in Section 149(6) of the Companies Act, 2013 for the Independent Directors, including no pecuniary interest and conflict of interest

16.2.2 Remuneration of the Non-executive Directors
Sitting fees: ₹ 30,000 for attending a Board meeting and Audit Committee meeting, and ₹ 10,000 for attending any other Committee meeting.

16.3 Criteria and method of annual evaluation

16.3.1 The criteria for evaluation of performance of

i) the Executive Directors,

ii) the Non-executive Directors (other than Independent Directors),

iii) the Independent Directors,

iv) the Chairman,

v) the Committees of the Board and

vi) the Board as a whole are summarised in the table at the end of the Directors' Report at page number 10.

16.3.2 The Independent Directors have carried out annual:

i) review of performance of the Non-independent Directors - Executive,

ii) review of performance of the Non-independent Directors - Non-executive,

iii) review of performance of the Chairman, assessment of quality, quantity and timeliness of the flow of information to the Board and

iv) review of performance of the Board as a whole.

16.3.3 The Board has carried out annual evaluation of performance of:

- i) its committees namely Audit, Corporate Social Responsibility, Nomination and Remuneration and Stakeholders Relationship
- ii) the Independent Directors

The templates for the above purpose were circulated in advance for feedback of the Directors.

16.4 Familiarisation programs for the Independent Directors

The Company has familiarisation programs for its Independent Directors. It comprises, amongst others, presentations by and discussions with the Senior Management on the nature of the industries in which it operates, its vision and strategy, its organisation structure and relevant regulatory changes.

17. Key Managerial Personnel and other employees

17.1 Appointments and cessations of the Key Managerial Personnel

4. Secretarial Audit Report

Form number MR – 3
Secretarial Audit Report

For the financial year ended March 31, 2022

{Pursuant to Section 204(1) of the Companies Act, 2013 and Rule number 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014}

To the members of Amal Ltd

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Amal Ltd (hereinafter called the Company). The Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts | statutory compliances and expressing my opinion thereon.

Based on my verification of the books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorised representatives during the conduct of the Secretarial Audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended March 31, 2022, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company as per Annexure I for the financial year ended March 31, 2022, according to the provisions of:

- i. The Companies Act, 2013 (Act) and the rules made thereunder read with the notified provisions of Companies (Amendment) Act, 2017;
- ii. The Securities Contracts (Regulation) Act, 1956 and the rules made thereunder;
- iii. The Depositories Act, 1996 and the regulations and bye-laws framed thereunder;
- iv. The Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of foreign direct investment, overseas direct investment and external commercial borrowings;
- v. The following regulations and guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (SEBI Act):
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015
 - c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018
 - d) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021
 - e) The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021
 - f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with clients
 - g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021
 - h) The Securities and Exchange Board of India (Buy-back of Securities) Regulations, 2018

Other sector specific laws as applicable to the Company, including product laws, pollution laws, manufacturing laws and safety laws as per confirmations of compliances placed before the Board of Directors, for our verification carried out on test-check basis and considered as assurance for existence of proper compliance management system.

However, it has been found that there were no instances requiring compliance with the provisions of the laws indicated at point (c), (d), (e) and (g) of para (v) mentioned hereinabove during the period under review.

We have also examined compliance with the applicable clauses of the following:

- i. Secretarial standards issued by the Institute of Company Secretaries of India.
- ii. The Listing Agreements entered into by the Company with BSE Ltd and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended).

During the period under review, the Company has complied with the provisions of the Act, rules, regulations, guidelines, standards, mentioned hereinabove and there is adequate compliance management system for the purpose of other sector specific laws. We have relied on the representations made by the Company and its officers for systems and mechanisms formed by the Company for compliances under other sector specific laws and regulations applicable to the Company.

We further report that the Board of Directors of the Company is duly constituted with proper balance of the Executive Directors and the Non-executive Directors (Independent and Non-independent). The changes in the composition of the Board that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice was given to all the Directors to schedule the Board meetings, agenda and detailed notes on agenda were sent at least seven days in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through, while the views of the dissenting members are captured and recorded as part of the minutes, wherever required.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with the applicable laws, rules, regulations and guidelines.

We further report that during the audit period, there were no specific events | actions having a major bearing on the affairs of the Company in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc, except Pursuant to the Modified Sanctioned Scheme (MS-10 and MS-13) approved by the Board of Industrial Finance and Reconstruction, the Company has redeemed 20,00,000, (0%) redeemable and non-convertible preference shares of ₹ 10 each issued to Atul Ltd.

Amal Ltd

Annexure – I to the Secretarial Audit Report

To the members of Amal Ltd

Subject: Secretarial Audit Report for the financial year ended on March 31, 2022

Our report of even date is to be read along with this letter.

1. Maintenance of secretarial record is the responsibility of the Management of the Company. Our responsibility is to express an opinion on these secretarial records based on our audit.
2. We have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the secretarial records. We believe that the processes and practices we followed provide a reasonable basis for our opinion.
3. We have not verified the correctness and appropriateness of financial records and books of accounts of the Company.
4. Wherever required, we have obtained the Management's representation about the compliance of laws, rules and regulations and happening of events, etc.
5. The compliance of the provisions of corporate and other applicable laws, rules, regulations, standards is the responsibility of the Management. Our examination was limited to the verification of procedures on test basis.
6. The Secretarial Audit Report is neither an assurance as to the future viability of the Company nor of the efficacy or effectiveness with which the Management has conducted the affairs of the Company

*Read with the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 and forming part of the Directors' Report for the year ended March 31, 2022.

The Company manufactures bulk chemicals such as sulphuric acid and oleum and their downstream products such as sulphur dioxide and sulphur trioxide at its manufacturing site at Ankleshwar.

These chemicals find their use in several industries like Dyestuff, Fertiliser, Personal Care, Petrochemical, Pharmaceutical, Textile, etc. These chemicals are generally sold locally within a radius of 150 km from the manufacturing site.

During 2021-22, despite the disruptions caused by the COVID-19 pandemic, sales and other income increased by 43% from ₹ 3,166 lakhs to ₹ 4,530 lakhs. The world market for sulphuric acid is estimated at 275 mn mt per annum. Assuming demand equals production and is growing at about 3% per annum, the world market for sulphuric acid is projected to be about 300 mn mt per annum by 2025, with Fertiliser industry contributing up to 65% of the consumption.

The manufacturing plant of the Company at Ankleshwar has an installed capacity of 140 mt per day of sulphuric acid (including downstream products). Optimising the product mix is a key factor. The way to succeed in these products is to ensure high capacity utilisation, excellent conversion efficiency and full deployment of the by-product, steam. The Company incorporated a wholly-owned subsidiary namely, Amal Speciality Chemicals Ltd (ASCL), in 2020-21. ASCL will have a capacity to manufacture 300 mt per day of sulphuric acid (including downstream products). This will help the Company to have a higher market share.

The products manufactured by the Company are commodity in nature whose prices and contributions fluctuate significantly. The price of the key raw

material, sulphur, varies from month to month. The uncertainties associated with the COVID-19 pandemic may have adverse impact on the demand and supply chain in the short-term, and the Company is working to minimise the impact of such aberrations to sustain the operations and identify new opportunities to grow.

INTERNAL CONTROL SYSTEMS

The internal control systems of the Company are commensurate with the nature of its business and size and complexity of its operations. These are routinely tested, certified and upgraded wherever required by the Statutory as well as the Internal Auditors covering all key areas of business. Significant audit observations and follow-up actions and recommendations there on are reported to the Senior Management and Audit Committee for their review.

The Company is working with reputed firms specialised in internal audit function. The combined efforts are helping the Company to introduce best practices required to manage its business.

HUMAN RESOURCES

The Company believes that people are the foundation on which the business is built, and this remains a key focus area. It continued with its drive to institutionalise and upgrade HR processes. In particular, it focused on improving its processes related to recruitment, training and development, performance management and succession planning in order to manage a dynamic and growing business.

The training needs are identified based on self-assessment and L+1 assessment. In addition, there are certain standard courses which everyone is expected to go through, depending upon his (her) grade.

Corporate Governance Report

The human voice can never reach the distance
that is covered by the still small voice of conscience.

- Mahatma Gandhi

1. Philosophy

Transparency and accountability are the two basic tenets of Corporate Governance. Amal is proud to belong to a Group whose Founder lived his life with eternal Values and built the business enterprises on the foundation of good governance.

The Company is committed to conducting business in the right way, which means taking decisions and acting in a way that is ethical and in compliance with the applicable legal requirements. It endeavours to continuously improve its Corporate Governance performance with a view to earn trust and respect of all its stakeholders.

The Board of Directors (Board) is responsible for and is committed to good Corporate Governance and plays a critical role in overseeing how the Management serves the short and long-term interests of the shareholders and other stakeholders.

2. Board

2.1. Board business

The normal business of the Board comprises:

2.1.1. Approving:

- i) appointment of the Cost Auditors
- ii) capital expenditure and operating budgets
- iii) commission payable to the Directors within the limit set by the shareholders
- iv) contracts in which the Director(s) are deemed to be interested
- v) cost audit reports
- vi) creation of charge on assets in favour of lenders
- vii) declaration of interim dividend
- viii) joint ventures, collaborations, mergers and acquisitions
- ix) loans and investments
- x) matters requiring statutory | Board consent
- xi) sale of investments and assets
- xii) short, medium or long-term borrowings
- xiii) unaudited quarterly financial results and audited annual accounts, both consolidated and on a standalone basis, including segment revenue, results and capital employed

2.1.2. Monitoring:

- i) effectiveness of the governance practices and making desirable changes
- ii) implementation of performance objectives and corporate performance
- iii) potential conflicts of interest of the Management, the Board Members and the shareholders, including misuse of corporate assets and abuse in related party transactions

- iv) the Board nomination process such that it is transparent and results in diversity of experience, gender, knowledge, perspective and thoughts in the Board
- v) the Management and providing strategic guidance while ensuring that encouraging positive thinking does not result in over-optimism that either leads to significant risks not being recognised or exposes the Company to excessive risk

2.1.3. Noting:

- i) general notices of interest of the Directors
- ii) minutes of the meetings of the Board and its Committees and also the resolution(s) passed by circulation

2.1.4. Recommending:

- i) appointment of the Statutory Auditors
- ii) final dividend

2.1.5. Reviewing:

- i) corporate strategy, major plans of action, Risk Policy, annual budgets and business plans
- ii) default in payment of statutory dues
- iii) fatal or serious accidents, dangerous occurrences and material environmental matters
- iv) foreign exchange exposure and exchange rate movement, if material

2.1.6. Setting:

- i) a corporate culture and the Values
- ii) a well-defined mandate, composition and working procedures of the Committees

2.1.7. Others:

- i) Acting on a fully informed basis, in good faith, with due diligence and care, and in the best interest of the Company and the shareholders
- ii) Aligning remuneration of the key executives and the Board Members with the long-term interests of the Company and the shareholders
- iii) Applying high ethical standards
- iv) Assigning sufficient number of the Non-executive Board Members capable of exercising independent judgement to items where there is a potential for conflict of interest
- v) Assisting the Executive Management by challenging the assumptions underlying strategy, strategic initiatives (such as acquisitions), risk appetite, exposures and the key areas of focus of the Company

- vi) Encouraging training of the Directors on a continuous basis to ensure that the Board Members are kept updated
- vii) Exercising objective and independent judgement on corporate affairs
- viii) Facilitating the Independent Directors to perform their role effectively as the Board Members and also as the members of Committees
- ix) Meeting the expectations of operational transparency of the stakeholders while maintaining confidentiality of information in order to foster a culture of good decision-making

2.2. Appointment and tenure

2/3rd of the Directors (other than the Independent Directors) are rotational Directors. 1/3rd of rotational Directors retire in every Annual General Meeting (AGM) and, if eligible, offer themselves for reappointment. The Managing Director is appointed by the members for a period up to five years.

2.3. Composition, name, other directorships | committee memberships

The Board comprises experts drawn from diverse fields | professions. At this time, it consists of six members comprising five Non-executive Directors (three Independent and two Non-independent) and one Managing Director. - x) A print of the e-voting done may be taken by clicking on the 'Click here to print' tab on the e-voting page.
- xi) In case the members holding shares in the demat form forget their password, they can enter the user ID and the image verification details and click on 'Forgot password' to generate a new one.

11.2.7. Note for the non-individual members and the custodians:

- i) The non-individual members (that is, other than individuals, Hindu Undivided Family, non-resident individual) and custodians are required to log on to www.evotingindia.com and register themselves as Corporates.
- ii) A scanned copy of the registration form bearing the stamp and sign of the entity will be e-mailed by the members to helpdesk.evoting@cdslindia.com
- iii) After receiving the login details, a Compliance user will be created using the admin login and password. The Compliance user will be able to link the account(s) for which they wish to vote on.
- iv) The list of accounts will be e-mailed to helpdesk.evoting@cdslindia.com and on approval of the accounts, votes can be cast.

- v) A scanned copy of the Board Resolution and Power of Attorney issued in favour of the Custodian, if any, will have to be uploaded in the portable document format in the system for verification by the Scrutiniser.

11.2.8. The members can also use mobile application 'm-Voting' of CDSL for e-voting using their e-voting credentials.

11.2.9. The remote e-voting period commences on September 05, 2022 (at 9:00 am) and ends on September 07, 2022 (at 5:00 pm). During this period, the members holding shares either in the physical form or in the demat form, as on the cut-off date of September 02, 2022, may cast their votes electronically. The remote e-voting module will be disabled by CDSL for voting after the said period. Once the votes on a resolution are cast by the members, no change will be allowed subsequently. Only the members who have not cast their votes through remote e-voting may cast their votes during the AGM by attending the AGM through VC by following the aforesaid process.

11.2.10. The voting rights of the members will be in proportion to their share of the paid-up equity share capital of the Company as on the cut-off date of September 02, 2022.

11.3. The instructions for e-voting during the AGM are as under:

11.3.1. The facility for voting through ballot | polling paper will not be available. The members attending the AGM through VC and who have not cast their votes through remote e-voting will be able to exercise their voting rights during the AGM through the e-voting facility. The members who have already cast their votes through remote e-voting may attend the AGM, but will not be able to cast their votes again.

11.3.2. The procedure for e-voting during the AGM is same as per the instructions mentioned in Note numbers 11.1 and 11.2, as the case may be, for remote e-voting.

- i) Only those members who will be present at the AGM through VC and have not cast their votes on the resolutions through remote e-voting and are otherwise not barred from doing so, will be eligible to vote through e-voting system available in the AGM.
- ii) If any votes are cast by the members through e-voting available during the AGM without participating in the AGM through VC, then the votes cast by such members will be considered invalid as the facility of e-voting during the AGM is available only to the members participating in the AGM.

11.4. The Company has availed services of Cisco Webex to provide the VC facility to the members to attend the AGM in collaboration with CDSL. More than 1,000 members, excluding promoters, large shareholders (holding 2% or more shares in the Company), Directors, Key Managerial Personnel, Auditors and the Chairmen of Committees of the Board, can participate in the AGM through VC on a first-come, first-served basis.

11.4.1. The instructions for attending the AGM through VC are as under:

- i) The individual members holding shares in the demat form can log in at any time starting from 10:00 am on September 08, 2022 as per Note number 11.1.
- ii) Other members can log in to www.evotingindia.com during any time starting from 10:00 am on September 08, 2022 and follow the steps mentioned below:
 - a) Click on the 'Shareholders | Members' tab.
 - b) The 'Shareholders | Members' message will appear, enter user ID | verification code and click on the 'Log in' tab. If the members are not having remote e-voting login credentials, then they may create the same by following the instructions given in Note number 11.2.6.

- c) When 'Character validation was successful. Kindly enter other login details to proceed' appears, enter password in the 'Password' tab and click on the 'Submit' tab.
 - iii) When 'Member Voting Screen' appears, click on the 'Click Here' tab on the Live Streaming column.
 - iv) When the message 'This is external link, are you sure you want to continue' appears, click on the 'OK' tab to proceed.
 - v) When 'Event information' appears, enter first name and last name and click on the 'Join Now' tab.
 - vi) When 'Meeting room joining confirmation' appears, click on the 'Join Event' tab.
- 11.4.2. The members are encouraged to join the meeting through laptops for better experience. The members will be required to ensure high-definition web cameras and high-speed internet connectivity to avoid any disturbance during the AGM.
- 11.4.3. The participants connecting through mobile devices | tablets | laptops using mobile hotspots may experience audio | video loss due to fluctuations in their respective networks. It is therefore recommended to use a stable Wi-Fi | LAN connection to mitigate such possible glitches.
- 11.4.4. The members who wish to express their views | ask questions during the AGM are requested to register themselves as speakers by providing their names, demat account numbers | folio numbers, e-mail addresses, mobile | telephone numbers along with questions, if any, to the Company on sec@amal.co.in. Such requests need to reach the Company at least seven days before the date of the AGM.
- 11.4.5. Those members who have registered themselves as speakers may only be allowed to express their views | ask questions during the AGM.
- 11.5. In case of queries or issues regarding e-voting, the members may refer to the 'frequently asked questions' and e-voting manual available at www.evotingindia.com, under the 'help' section or write an e-mail to helpdesk.evoting@cdslindia.com
- 11.6. SPANJ & Associates, has been appointed as the Scrutiniser to scrutinise the remote e-voting and the voting process at the AGM in a fair and transparent manner.
- 11.7. The Scrutiniser will within a period not exceeding three working days from the conclusion of the e-voting period unblock the votes in the presence of at least two witnesses not in the employment of the Company and make a Scrutiniser's Report of the votes cast in favour or against, if any, and forward it to the Chairman of the Company.
- 11.8. The results will be declared at or after the AGM. The results declared along with the Scrutiniser's Report will be placed on www.amal.co.in, the website of the Company and on www.evotingindia.com the website of CDSL within two days of passing of the resolutions at the AGM and also will be communicated to the BSE Ltd.
12. The members may send their comments on or suggestions for improvement of the annual report by e-mail to sec@amal.co.in
13. At the ensuing Annual General Meeting, Mr Sunil Lalbhai retires by rotation and being eligible, offers himself for reappointment. The information or details required as per Regulation 36(3) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 pertaining to him are as under:

Explanatory statement

The following explanatory statement, as required by Section 102 of the Companies Act, 2013, sets out material facts including the nature and concern or interest of the Directors in relation to the items of special business under item numbers 3, 4, 5, and 6 mentioned in the accompanying Notice:

Item number 3

Deloitte Haskins & Sells LLP, Chartered Accountants (DHS) were appointed as the Statutory Auditors of the Company at the 43rd Annual General Meeting (AGM) held on June 30, 2017, until the conclusion of the 48th AGM. The first term of five years of DHS is expiring at the ensuing AGM. Pursuant to Section 139 of the Companies Act, 2013 and Rules made thereunder, the Company can reappoint DHS for second term of five years. Accordingly, based on the recommendation of the Audit Committee, the Board at its meeting held on April 22, 2022, recommended the reappointment of DHS, as the Statutory Auditors of the Company for second term of five years. DHS will hold the office for a further period of five consecutive years from the conclusion of the 48th AGM of the Company till the conclusion of the 53th AGM to be held in the year 2027. DHS has given their consent to act as the Auditors and confirmed its eligibility for appointment and eligibility certificate to that effect that, their reappointment, if made, would be in compliance with the applicable laws.

The proposed remuneration to be paid to DHS for the first year of second term is ₹ 9.04 lakhs excluding taxes and out of pocket expenses. The remuneration to be paid to DHS during insert the remaining four years of the second term will be mutually agreed between the Board of Directors and Statutory Auditors, from time to time.

DHS is registered with the Institute of Chartered Accountants of India, firm registration number: 117366W | W-100018. The Firm has around 4,000 professionals and staff. DHS has offices in Ahmedabad, Bangalore, Chennai, Coimbatore, Delhi, Goa, Hyderabad, Jamshedpur, Kochi, Kolkata, Mumbai and Pune. The size, quality of audit services and volume of operations of DHS is commensurate with the size and audit requirements of the Company.

Memorandum of interest

None of the Directors or Key Managerial Personnel of the Company and their relatives are concerned or interested, financially or otherwise, in the said resolution.

Item number 4

Subject to approval of the shareholders, the Board reappointed Mr Rajeev Kumar as a Managing Director for five years effective March 24, 2022. His brief résumé is given below:

Name	Mr Rajeev Kumar
Date of birth	July 01, 1972
Brief résumé	Mr Rajeev Kumar is the Managing Director of the Company since March 24, 2017. Mr Kumar holds a graduate degree in Biotechnology (Pulp and Paper Engineering) from IIT, Roorkee and a postgraduate degree in Business Administration (Marketing) from IGNOU.

Directorship in other companies	Public companies Amal Speciality Chemicals Ltd Atul Products Ltd
Membership in committees of other companies	Chairman of committees Nil Member of committees Nil
Number of shares held in the Company	Nil

The terms of appointment of Mr Rajeev Kumar are in accordance with applicable provisions of the Companies Act, 2013.

The Board considers that his association will benefit the Company. Accordingly, the Board recommends the Resolution in relation to appointment of Mr Rajeev Kumar as the Managing Director for the approval by the members.

I. Legal provisions:

- 1) Section 178 of the Companies Act, 2013 provides for identification and recommendation by the Committee to the Board regarding appointment as Director.
- 2) Sections 196 and 197 read with Schedule V of the Companies Act, 2013 provide for appointment and remuneration of Managing Director which need to be approved by the shareholders in the General Meeting.

II. Legal provisions:

- 3) Section 178 of the Companies Act, 2013 provides for identification and recommendation by the Committee to the Board regarding appointment as Director.
- 4) Sections 196 and 197 read with Schedule V of the Companies Act, 2013 provide for appointment and remuneration of Managing Director which need to be approved by the shareholders in the General Meeting.

III. Proposal:

Appointment: Considering his contribution to the Company, subject to the provisions of the Companies Act, 2013, it is proposed to appoint him as a Managing director for a period of five years with effect from March 24, 2022.

IV. Responsibilities:

Mr Rajeev Kumar will have responsibilities of overall supervision of the Company. In addition, he will also be responsible for any other duties as may be assigned to him by the Chairman and the Board.

V. Remuneration:

- a) During his five years tenure, subject to the approval of the shareholders, Mr Rajeev Kumar will be paid remuneration which may be revised from time to time by Atul Ltd. The Company will reimburse

to Atul Ltd 10% of the remuneration (including revision thereof) drawn by him from Atul Ltd or an amount not exceeding as is allowable under the Companies Act, 2013 whichever is lower.

- b) Mr Rajeev Kumar will not be entitled to sitting fees for attending meetings of the Board and Committees thereof. He will, however, be reimbursed the actual travelling, lodging, boarding and out of pocket expenses incurred by him for attending meetings of the Board or Committees thereof.
- c) The remuneration referred in Clause a) above and any alteration thereof from time to time is subject to the overall limit of 5% of the annual net profit of the Company and subject further to the overall limit of 10% of the annual net profit of the Company as computed under the applicable provisions of the Companies Act, 2013. Provided, however, that in the event of absence or inadequacy of profit, Mr Kumar will be paid remuneration within the limit of minimum remuneration specified in Schedule V to the Companies Act, 2013.
- d) Mr Rajeev Kumar will be entitled to reimbursement of expenses incurred by him in connection with the business of the Company.

VI. Notice period of six months will be applicable from either side.

VII. Others:

- 1) In the event of any dispute or difference arising out of this Agreement between the parties, such dispute or difference will be referred to arbitration in accordance with the provisions of the Arbitration and Conciliation Act, 1996 or any statutory modification or substitute thereof and all the provisions of that Act so far as are applicable or of any of them for the time being in force will apply to every reference thereof. The venue of the arbitration will be Courts at Valsad only.
- 2) Both the parties agree for exclusive jurisdiction of Courts at Valsad only.

The remuneration payable to the Managing Director, Mr Rajeev Kumar will be reimbursable to Atul Ltd, being an employee of Atul Ltd. The amount payable will be 10% of the remuneration paid by Atul Ltd subject to a minimum of ₹ 17,00,000 per annum.

Except Mr Rajeev Kumar, being an appointee, none of the Directors and the Key Managerial Personnel of the Company and their relatives are concerned or interested, financially or otherwise, in the Resolution set out at Item number 4.

Item number 5

The Board of Directors (Board) appointed Mr Jyotin Mehta as an Additional Director effective April 22, 2022. Subject to the approval of the members, the Board appointed Mr Mehta, as an Independent Director for a term of five consecutive years from April 22, 2022 to April 21, 2027. His brief résumé is as under:

Name	Jyotin Mehta
Date of birth	February 16, 1958
Brief résumé	Mr Jyotin Mehta is a member of the Board since April 22, 2022. Mr Mehta has 40 years of experience in Finance, Secretarial and Cost Management and was Vice President and Chief Internal Auditor of Voltas Ltd. Mr Mehta holds a graduate degree in Commerce. He is a Fellow Member of the Institute of Chartered Accountants of India, the Institute of Cost and Management Accountants of India and the Institute of Company Secretaries of India.

Item number 6

Pursuant to the Articles of Association read with Section 197 of the Companies Act, 2013, the Non-executive Directors are entitled to receive commission up to 1% of the net profit of the Company in any financial year, with the approval of the Company by way of Ordinary Resolution.

In view of the time and attention which the Non-executive Directors are called upon to give for the purpose of business of the Company, it is considered that the payment of such commission to the Non-executive Directors as permitted by the Article aforesaid, may be made for the period of five years effective April 01, 2022.

The Board recommends the Resolution in Item number 6 in the Notice in relation to the payment of commission to Non-executive Directors for a period of five years for approval by the members as an Ordinary Resolution.

Memorandum of interest

Except Non-executive Directors of the Company, none of the other Directors or Key Managerial Personnel of the Company and their relatives are concerned or interested, financially or otherwise, in Item number 6.

To the members of Amal Ltd

Report on the audit of the Standalone Financial Statements

Opinion

01. We have audited the accompanying Standalone Financial Statements of Amal Ltd (the Company), which comprise the Balance Sheet as at March 31, 2022, and the Statement of Profit and Loss (including other comprehensive income), the Statement of Cash Flows and the Statement of changes in equity for the year then ended and a summary of significant accounting policies and other explanatory information.
02. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 (the Act) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, (Ind AS) and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for opinion

03. We conducted our audit of the Standalone Financial Statements in accordance with the

Standards on Auditing specified under Section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules made thereunder and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial Statements.

Key audit matter

04. Key audit matter is matter that, in our professional judgement, was of most significance in our audit of the Standalone Financial Statements of the current period. This matter was addressed in the context of our audit of the Standalone Financial Statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion on this matter. We have determined the matter described below to be the key audit matter to be communicated in our report.

Key audit matter	Auditor's response
Revenue from sale of goods to parent company Significant revenue of the Company is generated through sale of goods to its holding company. The occurrence of such transactions and their pricing on an arm's length basis were significant areas of audit focus.	Our procedures included the following, but were not limited to: - obtaining a detailed understanding of the processes, controls and policies of the Management with respect to related party transactions, - evaluating the design of controls including approvals and related compliances, - testing implementation and operating effectiveness of the controls that address risks relating to the occurrence and pricing.

Key audit matter	Auditor's response
	Performing following procedures on the samples selected: <ul style="list-style-type: none"> - reading and verifying the terms of the purchase orders. Performing corroborative inquiries for the business rational on pricing and relevant terms and conditions, including sighting evidences of transaction of similar products on identical terms with unrelated parties - verifying necessary approvals as per the authorisation matrices - verifying documentary evidences around deliveries and subsequent realisation, and obtaining balance confirmations - performing analytical procedures and trend analysis - assessing adequacy and appropriateness of the disclosures in the Standalone Financial Statements.

Information other than the Standalone Financial Statements and Auditor's Report thereon

- 05. The Board of Directors is responsible for the other information. The other information comprises the information included in the letter to shareholders, corporate identity, Directors' Report and its annexure, Management Discussion and Analysis, Corporate Governance Report and performance trend but does not include the Standalone Financial Statements, the Consolidated Financial Statements and our Auditor's Report thereon.
- 06. Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- 07. In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- 08. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's responsibility for the Standalone Financial Statements

- 09. The Board of Directors of the Company is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation

of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities, selection and application of appropriate accounting policies, making judgements and estimates that are reasonable and prudent, and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

- 10. In preparing the Standalone Financial Statements, the Management is responsible for assessing the ability of the Company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
- 11. The Board of Directors are also responsible for overseeing the financial reporting process of the Company.

Auditor's responsibility for the audit of the Standalone Financial Statements

12. Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they can reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

13. As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- a) Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b) Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- c) Evaluate the appropriateness of accounting policies used and the

reasonableness of accounting estimates and related disclosures made by the Management.

- d) Conclude on the appropriateness of use of the going concern basis of accounting by the Management and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- e) Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in i) planning the scope of our audit work and in evaluating the results of our work and ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and is therefore the key audit matter. We describe these matters in our Auditor's Report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so will reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

14. As required by Section 143(3) of the Act, based on our audit we report that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, the Statement of Cash Flows and the Statement of changes in equity dealt with by this Report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid Standalone Financial Statements comply with the Ind AS specified under Section 133 of the Act.
 - e) On the basis of the written representations received from the Directors as on

March 31, 2022, taken on record by the Board of Directors, none of the Directors is disqualified as on March 31, 2022 from being appointed as a Director in terms of Section 164(2) of the Act.

- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure A. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal financial controls over financial reporting of the Company.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its Directors during the year is in accordance with the provisions of Section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its Standalone Financial Statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- iv. a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entities (Intermediaries), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (Ultimate Beneficiaries) or provide any guarantee, security or the like on behalf of the ultimate beneficiaries.
- b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entities (Funding Parties), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or provide any guarantee, security or the like on behalf of the ultimate beneficiaries.
- c) Based on the audit procedures that has been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
15. As required by the Companies (Auditor's Report) Order, 2020 (the Order) issued by the Central Government in terms of Section 143(11) of the Act, we give in Annexure B, a statement on the matters specified in paragraphs 3 and 4 of the Order.

Annexure A to the Independent Auditor's Report

Referred to in paragraph 14 (f) under 'Report on other legal and regulatory requirements' section of our report of even date.

Report on the internal financial controls over financial reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (the Act).

We have audited the internal financial controls over financial reporting of Amal Ltd (the Company) as of March 31, 2022, in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management's responsibility for internal financial controls

The Management of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the Guidance Note) issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the policies of the Company, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's responsibility

01. Our responsibility is to express an opinion on the internal financial controls of the Company over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable

to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

02. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the Auditor's judgement, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.
03. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of internal financial controls over financial reporting

The internal financial controls over financial reporting of a Company is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Financial Statements for external purposes in accordance with the Generally Accepted Accounting Principles. Internal financial controls over financial reporting of a Company includes those policies and procedures that i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions

and dispositions of the assets of the Company, ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Financial Statements in accordance with Generally Accepted Accounting Principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of the Management and Directors of the Company, and iii) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the assets of the Company that could have a material effect on the Standalone Financial Statements.

Inherent limitations of internal financial controls over financial reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal financial controls over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

Annexure B to the Independent Auditor's Report

Referred to in paragraph 14 under 'Report on other legal and regulatory requirements' section of our report of even date.

To the best of our information and explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

01. a) In respect of the property, plant and equipment and intangible assets of the Company:
- i) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment, capital work-in-progress, and relevant details of right-of-use asset.
 - ii) As the Company does not hold intangible assets reporting under clause (i)(a)(B) of the Order is not applicable.
- b) The Company has a program of verification of property, plant and equipment, capital work-in-progress and right-to-use asset so to cover all the items once every three years which, in our opinion, is reasonable having regard to the size

of the Company and the nature of its assets. Pursuant to the program, no such assets were due for physical verification during the year. Since no physical verification of property, plant and equipment, capital work-in-progress and right-to-use asset was due during the year the question of reporting on material discrepancies noted on verification does not arise.

- c) With respect to immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the Company) disclosed in the Standalone Financial Statements included in property, plant and equipment, according to the information and explanations given to us and the records examined by us and based on the examination of the registered sale deed | transfer deed | conveyance deed provided to us, we report that, the title deeds of such immovable properties are held in the name of the Company as at the Balance Sheet date, except for the following:

Particulars of property	Carrying value	Held in the name of	Whether Promoter, Director or their relative of employee	Period held	Reason for not being held in the name of the Company
Residential flat at Ankleshwar	1.05	Amal Rasayan Limited	No	March 31, 1999	The title deeds are in the name of Amal Rasayan Ltd, former name of the Company.

- d) The Company has not revalued any of its property, plant and equipment (including right-of-use assets) during the year.
- e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2022 for holding any benami property under the Benami Transactions (Prohibition) Act,

- 1988 (as amended in 2016) and Rules made thereunder.
02. a) The inventories except for goods-in-transit, were physically verified during the year by the Management at reasonable intervals. In our opinion and based on information and explanations given to us, the coverage and procedure

of such verification by the Management is appropriate having regard to the size of the Company and the nature of its operations. For goods in transit the goods have been received subsequent to the year end. No discrepancies of 10% or more in the aggregate for each class of inventories were noticed on such physical verification of inventories, when compared with the books of account.

b) According to the information and explanations given to us, the Company has not been sanctioned working capital limits in excess of ₹ 5 crores, in aggregate, during the year, from banks or financial institutions on the basis of security of current assets. Hence, reporting on the quarterly returns or statements filed by the Company with such banks or financial institutions is not applicable.

		Loans	Guarantee
A.	Aggregate amount granted provided during the year:		
	Subsidiary	2,202.00	5,100.00
B.	Balance outstanding as at Balance Sheet date in respect of above cases:		
	Subsidiary	2,202.00	-

03. The Company has made investments in, granted loans, secured or unsecured, to companies, limited liability partnership or any other parties during the year, in respect of which:

a) The Company has provided loans and stood guarantee during the year, the details of which are given below:

The Company has not provided any security to any other entity during the year.

b) The investments made, guarantees provided and the terms and conditions of the grant of all the above mentioned loans and guarantees provided, during the year are, in our opinion, not prejudicial to the interest of the Company.

c) In respect of loans granted by the Company, the schedule of repayment of principal and payment of interest has been stipulated and the repayments of principal amounts and receipts of interest are regular as per stipulation.

d) In respect of loans granted by the Company, there is no overdue amount remaining outstanding as at the Balance Sheet date.

e) No loans by the Company which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same parties.

f) The Company has not granted any loans either repayable on demand or without specifying any terms or period of repayment during the year. Hence, reporting under Clause (iii)(f) is not applicable.

04. In our opinion and according to information and explanation given to us, the Company has not granted any loans or made investments covered under the provisions of Section 185 of the Companies Act 2013. The Company has complied with the provisions of Sections 186 of the Companies Act, 2013 as applicable.

05. According to the information and explanations given to us, the Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under Clause (v) of the Order is not applicable.

06. The maintenance of cost records has not been specified by the Central Government under Section 148(1) of the Companies Act, 2013.

07. According to the information and explanations given to us, in respect of statutory dues:

a) The Company has generally been regular in depositing undisputed statutory dues of the year, including goods and service tax, provident fund, employees' state insurance, income tax, customs duty, cess and other material statutory dues applicable to it to the appropriate authorities.

There were no undisputed amounts payable in respect of goods and service tax, provident fund, employees' state

insurance, income tax, customs duty, cess and other material statutory dues in arrears as at March 31, 2022, for a period of more than six months from the date they became payable.

b) There are no disputed dues of income tax and goods and services tax which have not been deposited as on March 31, 2022. Details of dues of sales tax which have not been deposited as on March 31, 2022, on account of disputes are given below:

Name of statute	Nature of dues	Forum where dispute is pending	Period to which the amount relates	Amount (₹ in lakh)
The Gujarat Sales Tax Act, 1969	Sales tax (including interest and penalty)	High Court of Gujarat	1999-00	10.39
The Gujarat Sales Tax Act, 1969	Sales tax (including interest and penalty)	Joint Commissioner, Surat	2001-02 to 2003-04	52.47

08. There were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 (43 of 1961) during the year.

the funds raised through issue of shares or borrowings in the previous year and hence, reporting under Clause (ix)(e) of the Order is not applicable.

09. a) In our opinion the Company has not taken any loans or borrowings from any lender. Hence reporting under Clause (ix)(a) of the Order is not applicable to the Company.

f) The Company has not raised loans during the year on the pledge of securities held in its subsidiaries or joint ventures or associate companies.

b) The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.

10. a) The Company has not issued any of its securities (including debt instruments) during the year and hence reporting under Clause (x)(a) of the Order is not applicable.

c) The Company has not taken any term loan during the year and there are no unutilised term loans at the beginning of the year and hence, reporting under Clause (ix)(c) of the Order is not applicable.

b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under Clause (x)(b) of the Order is not applicable to the Company.

d) According to the information and explanations given to us Clause (ix)(d) is not applicable since the Company has not taken funds on short-term basis.

11. a) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.

e) We report that the Company has neither taken any funds from any entity or person during the year nor it had any unutilised funds as at the beginning of the year of

b) No report under Sub-section (12) of Section 143 of the Companies Act, 2013

- has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year.
- c) As represented to us by the Management, there were no whistleblower complaints received by the Company during the year.
12. The Company is not a Nidhi Company and hence reporting under Clause (xii) of the Order is not applicable.
13. In our opinion and according to the information and explanations given to us the Company is in compliance with Sections 177 and 188 of the Companies Act, 2013 where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the Standalone Financial statements etc. as required by the applicable accounting standards.
14. a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- b) We have considered, the internal audit reports issued to the Company during the year and covering the period upto February 2022 and the internal audit for the month of March 2022 will be covered in the next cycle falling due in the next Financial Year.
15. In our opinion, during the year, the Company has not entered into any non-cash transactions with its Directors or Directors of its subsidiary companies or persons connected with them and hence provisions of Section 192 of the Companies Act, 2013 are not applicable.
16. a) In our opinion, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under Clause (xvi)(a), (b) and (c) of the Order is not applicable.
- b) In our opinion, the Group (the Company and its subsidiary company) does not have any core investment company (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) as part of the group and accordingly reporting under Clause (xvi)(d) of the order is not applicable.
17. The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
18. There has been no resignation of the Statutory Auditors of the Company during the year.
19. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the Financial Statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the Audit Report indicating that Company is not capable of meeting its liabilities existing at the date of Balance Sheet as and when they fall due within a period of one year from the Balance Sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the Audit Report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the Balance Sheet date, will get discharged by the Company as and when they fall due.
20. The Company has fully spent the required amount towards Corporate Social Responsibility (CSR) and there are no unspent CSR amount for the year requiring a transfer to a Fund specified in Schedule VII to the Companies Act or special account in compliance with the provision of Sub-Section (6) of Section 135 of the said Act. Accordingly, reporting under clause (xx) of the Order is not applicable for the year.

Standalone Statement of Cash Flows

for the year ended March 31, 2022

(₹ lakhs)

Particulars	2021-22	2020-21
A CASH FLOW FROM OPERATING ACTIVITIES		
Profit before tax	332.37	1,086.18
Adjustments for:		
Depreciation and amortisation expenses	169.86	95.56
Finance costs	95.04	73.33
Interest income from financial assets measured at amortised cost	(130.53)	(5.20)
Income from investments in mutual funds measured at FVPL (net)	(23.92)	(76.43)
Gain on revaluation of investments in equity shares	-	(40.67)
Dividend income	(0.53)	(0.52)
Credit balance appropriated	(0.80)	(1.31)
Gain on disposal of property, plant and equipment (net)	(0.04)	-
Operating profit before change in operating assets and liabilities	441.45	1,130.94
Adjustments for:		
(Increase) Decrease in inventories	(118.42)	(44.36)
(Increase) Decrease in non-current and current assets	353.47	208.84
Increase (Decrease) in non-current and current liabilities	36.45	101.20
Cash generated from operations	712.95	1,396.62
(Income tax paid) net of refund	266.71	(256.24)
Net cash flow from operating activities A	979.66	1,140.38
B CASH FLOW FROM INVESTING ACTIVITIES		
Payments towards property, plant and equipment (including capital advances)	(596.38)	(135.23)
Purchase of equity instruments of subsidiary company measured at cost	-	(500.00)
Sale (Purchase) of current investments measured at FVPL (net)	1,891.50	(378.98)
Disbursements of loans given (net)	(2,202.00)	-
Income received from investments in mutual funds measured at FVPL	23.92	45.09
Dividend received	0.53	0.52
Interest received on financial assets measured at amortised cost	130.53	5.20
Net cash used in investing activities B	(751.90)	(963.40)

Standalone Statement of Cash Flows

for the year ended March 31, 2022

(₹ lakhs)

Particulars	2021-22	2020-21
C CASH FLOW FROM FINANCING ACTIVITIES		
Disbursements (repayments) of preference share liabilities	(200.00)	(200.00)
Interest paid	(43.59)	(1.36)
Net cash used in financing activities C	(243.59)	(201.36)
Net increase (decrease) in cash and cash equivalents A+B+C	(15.83)	(24.38)
Cash and cash equivalents at the beginning of the year	27.74	52.12
Cash and cash equivalents at the end of the year	11.91	27.74

- i) The above Standalone Statement of Cash Flows has been prepared under the 'Indirect Method' as set out in the Ind AS 7 on Statement of Cash Flows as notified under Companies (Indian Accounting Standards) Rules, 2015, as amended.
- ii) Cash flows from operating activities includes ₹ 26.25 lakhs (March 31, 2021: ₹ 26.65 lakhs) being expenses towards Corporate Social Responsibility initiatives refer Note 27.13
- iii) Refer Note 12 (v) for a reconciliation of changes in liabilities arising from financing activities.

The accompanying Notes 1-27 form an integral part of the Standalone Financial Statements.

Background

Amal Ltd (the Company) is a public company limited by shares, incorporated and domiciled in India. The Company is a subsidiary of Atul Ltd. Its registered office is located at Atul House, 310 B, Veer Savarkar Marg, Dadar (West), Mumbai 400 028, Maharashtra, India and its principal place of manufacturing is located at Ankleshwar, Gujarat, India.

The Company is engaged in manufacturing of bulk chemicals such as Sulphuric acid and Oleum and their downstream products such as Sulphur dioxide and Sulphur trioxide.

It is registered as a small manufacturing company effective July 03, 2020 as per Micro, Small and Medium Enterprises Development Act, 2006 (MSMED Act).

Note 1 Significant accounting policies

This Note provides a list of the significant accounting policies adopted by the Company in preparation of these Standalone Financial Statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

a) Statement of compliance

The Standalone Financial Statements comply in all material respects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act, as amended.

b) Basis of preparation

i) Historical cost convention:

The Standalone Financial Statements have been prepared on a historical cost basis except for the following:

- a) Certain financial assets and liabilities (including derivative instruments): measured at fair value
- b) Defined benefit plans: plan assets measured at fair value

ii) The Standalone Financial Statements have been prepared on accrual and going concern basis.

iii) The accounting policies are applied consistently to all the periods presented in the Standalone Financial Statements. All assets and liabilities have been classified as current or non-current as per the normal operating cycle of the Company and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. Based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

iv) New and amended in the Companies Act, 2013 and the Companies (CSR Policy) Amendment Rules, 2021 adopted:

The Company has applied the following amendments to Schedule III to the Companies Act, 2013 and the Companies (CSR Policy) Amendment Rules, 2021 for its annual reporting period commencing April 01, 2021:

Note 1 Significant accounting policies (continued)

The Ministry of Corporate Affairs (MCA) has amended Schedule III of the Companies Act 2013, on March 24, 2021. Schedule III of the Companies Act 2013, provides the format of financial statements of companies complying with Accounting Standards (AS) and Ind AS under its Division I and Division II, respectively.

The MCA has notified provisions relating to CSR vide the Companies (Amendment) Act, 2019, Companies (Amendment) Act, 2020 and the Companies (Corporate Social Responsibility Policy) Amendment Rules, 2021, which is effective from January 22, 2021.

v) Recent accounting pronouncements effective from April 01, 2022:

The MCA notifies new standards or amendment to the existing standards under the Companies (Indian Accounting Standards) Rules as issued from time to time. On March 23, 2022, the MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, as follows:

Ind AS 16 - Property, Plant and Equipment:

The amendment clarifies that excess of net sale proceeds of items produced over the cost of testing, if any, shall not be recognised in the Standalone Statement of Profit and Loss but deducted from the directly attributable costs considered as part of cost of an item of property, plant, and equipment. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2022. The Company has evaluated the amendment and there is no impact on its Standalone Financial Statements.

Ind AS 37 - Provisions, Contingent Liabilities and Contingent Assets:

The amendment specifies that the cost of fulfilling a contract comprises the costs that relate directly to the contract. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples may be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts (an example may be the allocation of depreciation charge for an item of property, plant and equipment used in fulfilling the contract). The effective date for adoption of this amendment is the annual periods beginning on or after April 1, 2022, although early adoption is permitted. The Company has evaluated the amendment and the impact is not expected to be material.

c) **Foreign currency transactions**

i) Functional and presentation currency:

Items included in the Standalone Financial Statements of the Company are measured using the currency of the primary economic environment in which the Company operates (functional currency). The Standalone Financial Statements of the Company are presented in Indian currency (₹), which is also the functional currency of the Company.

ii) Transactions and balances:

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gain | (loss) resulting from the settlement of such

Note 1 Significant accounting policies (continued)

transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in the Standalone Statement of Profit and Loss except that they are deferred in other equity if they relate to qualifying cash flow hedges. Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the Standalone Statement of Profit and Loss, within finance costs. All other foreign exchange gain | (loss) are presented in the Standalone Statement of Profit and Loss on a net basis within other income.

Non-monetary items that are measured at fair value that are denominated in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain | (loss). Non-monetary items that are measured in terms of historical cost in foreign currency are not revalued.

d) Revenue recognition

i) Revenue from operations:

Revenue is recognised when control of goods is transferred to a customer in accordance with the terms of the contract. The control of the goods is transferred upon delivery to the customers either at factory gate of the Company or a specific location of the customer or when the goods are handed over to the freight carrier, as per the terms of the contract. A receivable is recognised by the Company when the goods are delivered to the customer as this represents the point in time at which the right to consideration becomes unconditional, as only the passage of time is required before payment is due.

Revenue is measured based on the consideration to which the Company expects to be entitled as per contract with a customer. The consideration is determined based on the price specified in the contract, net of the estimated variable consideration. Accumulated experience is used to estimate and provide for the variable consideration, using the expected value method and revenue is only recognised to the extent that it is highly probable that a significant reversal will not occur. Contracts with customers are for short-term, at an agreed price basis having contracted credit period ranging up to 45 days. The contracts do not grant any rights of return to the customer. Returns of goods are accepted by the Company only on an exception basis. Revenue excludes any taxes or duties collected on behalf of the government that are levied on sales such as goods and services tax and tax collected at source.

ii) Other income:

Interest income from financial assets is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the Company estimates the expected cash flows by

Note 1 Significant accounting policies (continued)

considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options), but does not consider the expected credit losses.

Dividends are recognised in the Standalone Statement of Profit and Loss only when the right to receive payment is established; it is probable that the economic benefits associated with the dividend will flow to the Company and the amount of the dividend can be measured reliably.

Lease rental income is recognised on accrual basis.

e) Income tax

Income tax expense comprises current tax and deferred tax. Current tax is the tax payable on the taxable income of the current period based on the applicable income tax rates. Deferred income tax is recognised using the Balance Sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. The Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate, on the basis of amounts expected to be paid to the tax authorities.

Deferred income tax is provided in full, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts. However, deferred tax liabilities are not recognised if they arise from the initial recognition of goodwill. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit | (loss) nor taxable profit | (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantively enacted by the Standalone Balance Sheet date and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

The Company considers reversals of deferred income tax liabilities, projected future taxable income and tax planning strategies in making the assessment of deferred tax liabilities and realisability of deferred tax assets. Based on the level of historical taxable income and projections for future taxable income over the periods in which the deferred income tax assets are deductible, the Management believes that the Company will realise the benefits of those deductible differences.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the Company has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity respectively.

Note 1 Significant accounting policies (continued)

The Company considered whether it has any uncertain tax positions based on past experience pertaining to income taxes, including those related to transfer pricing as per Appendix C to Ind AS 12. The Company has determined its tax position based on tax compliance and present judicial pronouncements and accordingly expects that its tax treatments will be accepted by the taxation authorities.

The Company determines whether to consider each uncertain tax treatment separately or together with one or more other uncertain tax treatments and uses the approach that better predicts the resolution of the uncertainty. The Company applies significant judgement in identifying uncertainties over income tax treatments.

f) Leases

As a lessee

The Company assesses whether a contract is, or contains a lease, at inception of the contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: i) the contract involves the use of an identified asset ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and iii) the Company has the right to direct the use of the asset.

At the commencement date of the lease, the Company recognises a right-of-use asset and a corresponding lease liability for all lease arrangements in which it is lessee, except for short-term leases (leases with a term of 12 months or less), leases of low value assets and, for contract where the lessee and lessor has the right to terminate a lease without permission from the other party with no more than an insignificant penalty. The lease expense of such short-term leases, low value assets leases and cancellable leases, are recognised as an operating expense on a straight-line basis over the term of the lease.

At commencement date, lease liability is measured at the present value of the lease payments to be paid during non-cancellable period of the contract, discounted using the incremental borrowing rate. The right-of-use assets is initially recognised at the amount of the initial measurement of the corresponding lease liability, lease payments made at or before commencement date less any lease incentives received and any initial direct costs.

Subsequently, the right-of-use asset is measured at cost less accumulated depreciation and any impairment losses. Lease liability is subsequently measured by increasing the carrying amount to reflect interest on the lease liability (using effective interest rate method) and reducing the carrying amount to reflect the lease payments made. The right-of-use asset and lease liability are also adjusted to reflect any lease modifications or revised in-substance fixed lease payments.

As a lessor

Leases for which the Company is a lessor are classified as finance or operating leases. Whenever the terms of the lease substantially transfer all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

Note 1 Significant accounting policies (continued)

Income from operating leases where the Company is a lessor is recognised as income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the Standalone Balance Sheet based on their nature. Leases of property, plant and equipment where the Company as a lessor has substantially transferred all the risks and rewards are classified as finance lease. Finance leases are capitalised at the inception of the lease at the fair value of the leased property or, if lower, the present value of the minimum lease payments. The corresponding rent receivables, net of interest income, are included in other financial assets. Each lease receipt is allocated between the asset and interest income. The interest income is recognised in the Standalone Statement of Profit and Loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the asset for each period.

Under combined lease agreements, land and building are assessed individually.

g) **Property, plant and equipment**

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at acquisition cost net of accumulated depreciation and accumulated impairment losses, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Acquisition cost may also include transfers from equity of any gains or losses on qualifying cash flow hedges of foreign currency purchases of property, plant and equipment.

Subsequent costs are included in the carrying amount of asset or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance expenses are charged to the Standalone Statement of Profit and Loss during the period in which they are incurred. Gains or losses arising on retirement or disposal of assets are recognised in the Standalone Statement of Profit and Loss.

Spare parts, stand-by equipment and servicing equipment are recognised as property, plant and equipment if they are held for use in the production or supply of goods or services, for rental to others, or for administrative purposes and are expected to be used during more than one period.

Property, plant and equipment that are not ready for intended use as on the date of Standalone Balance Sheet are disclosed as 'capital work-in-progress'.

Depreciation methods, estimated useful lives and residual value

The charge in respect of periodic depreciation is derived after determining an estimate of expected useful life and the expected residual value of the assets at the end of its useful life. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life.

Depreciation is provided on a pro-rata basis on the straight-line method from the month of acquisition | installation till the month the assets are sold or disposed of:

Note 1 Significant accounting policies (continued)

Asset category	Estimated useful life
Buildings	5 to 60 years
Plant and equipment	3 to 20 years
Vehicles	6 to 10 years
Office equipment and furniture	3 to 10 years

The useful lives have been determined based on technical evaluation done by the Management | experts, which are different from the useful life prescribed in Part C of Schedule II to the Companies Act, in order to reflect the actual usage of the assets. The residual values are not more than 5% of the original cost of the asset. The residual values, useful lives and method of depreciation of property, plant and equipment are reviewed annually and adjusted prospectively, if appropriate.

The carrying amount of an asset is written down immediately to its recoverable amount if the carrying amount of the asset is greater than its estimated recoverable amount.

Land accounted under finance lease is amortised on a straight-line basis over the primary period of lease. Assets held under finance leases are depreciated over their expected useful lives on the same basis as owned assets. However, when there is no reasonable certainty that ownership will be obtained by the end of the lease term, assets are depreciated over the shorter of the lease term or their useful lives.

h) Impairment

The carrying amount of assets are reviewed at each Standalone Balance Sheet date to assess if there is any indication of impairment based on internal | external factors. An impairment loss on such assessment is recognised wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount of the assets is net selling price or value in use, whichever is higher. While assessing value in use, the estimated future cash flows are discounted to the present value by using weighted average cost of capital. A previously recognised impairment loss is further provided or reversed depending on changes in the circumstances and to the extent that carrying amount of the assets does not exceed the carrying amount that will be determined if no impairment loss had previously been recognised.

i) Cash and cash equivalents

Cash and cash equivalents include cash in hand, demand deposits with bank and other short-term (three months or less from the date of acquisition), highly liquid investments that are readily convertible into cash and which are subject to an insignificant risk of changes in value.

j) Trade receivables

Trade receivables are recognised when the right to consideration becomes unconditional. These assets are held at amortised cost, using the effective interest rate (EIR) method where applicable, less provision for impairment based on expected credit loss.

Note 1 Significant accounting policies (continued)

k) Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months from the reporting date. They are recognised initially at their fair value and subsequently measured at amortised cost using the EIR method.

l) Inventories

Inventories are stated at cost or net realisable value, whichever is lower. Cost is determined on periodic moving weighted average basis.

Net realisable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to effect the sale.

Cost comprises all costs of purchase, costs of conversion and other costs incurred in bringing the inventory to the present location and condition.

Due allowances are made for slow | non-moving, defective and obsolete inventories based on estimates made by the Company.

Items such as spare parts, stand-by equipment and servicing equipment that are not plant and machinery get classified as inventory.

m) Investments and other financial assets

Classification and measurement

The Company classifies its financial assets in the following measurement categories:

- i) those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss)
- ii) those measured at amortised cost

The classification depends on business model of the Company for managing financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

Debt instruments

Initial recognition and measurement

Financial asset is recognised when the Company becomes a party to the contractual provisions of the instrument. Financial asset is recognised initially at fair value plus, in the case of financial asset not recorded

Note 1 Significant accounting policies (continued)

at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Transaction costs of financial asset carried at fair value through profit or loss are expensed in the Standalone Statement of Profit and Loss.

Subsequent measurement

Subsequent measurement of debt instruments depends on the business model of the Company for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments:

Measured at amortised cost:

Financial assets that are held within a business model whose objective is to hold financial assets in order to collect contractual cash flows that are solely payments of principal and interest, are subsequently measured at amortised cost using the EIR method less impairment, if any, the amortisation of EIR and loss arising from impairment, if any is recognised in the Standalone Statement of Profit and Loss.

Measured at fair value through other comprehensive income (FVOCI):

Financial assets that are held within a business model whose objective is achieved by both, selling financial assets and collecting contractual cash flows that are solely payments of principal and interest, are subsequently measured at fair value through other comprehensive income. Fair value movements are recognised in the OCI. Interest income measured using the EIR method and impairment losses, if any are recognised in the Standalone Statement of Profit and Loss. On derecognition, cumulative gain | (loss) previously recognised in OCI is reclassified from the equity to other income in the Standalone Statement of Profit and Loss.

Measured at fair value through profit or loss (FVPL):

A financial asset not classified as either amortised cost or FVOCI, is classified as FVPL. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognised as other income in the Standalone Statement of Profit and Loss.

Equity instruments

The Company subsequently measures all investments in equity instruments other than subsidiary company at fair value. The Company has elected to present fair value gains and losses on such equity investments through FVPL, and there is no subsequent reclassification of these fair value gains and losses to OCI. Dividends from such investments continue to be recognised in profit or loss as other income when the right to receive payment is established.

Changes in the fair value of financial assets at FVPL are recognised in the Standalone Statement of Profit and Loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

Note 1 Significant accounting policies (continued)

Investment in subsidiary company:

Investments in subsidiary company is carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. On disposal of investments in subsidiary company the difference between net disposal proceeds and the carrying amounts are recognised in the Standalone Statement of Profit and Loss.

Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its financial assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk. Note 27.7 details how the Company determines whether there has been a significant increase in credit risk.

For trade and lease receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of such receivables. The Company computes expected lifetime losses based on a provision matrix, which takes into account historical credit loss experience and adjusted for forward-looking information.

Derecognition

A financial asset is derecognised only when the Company has transferred the rights to receive cash flows from the financial asset, the asset expires or the Company retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the Company has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised through the Standalone Statement of Profit and Loss or other comprehensive income as applicable. Where the Company has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the Company has neither transferred a financial asset nor retained substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

Financial liabilities

i) Classification as debt or equity:

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Note 1 Significant accounting policies (continued)

ii) Initial recognition and measurement:

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the fair value.

iii) Subsequent measurement:

Financial liabilities are subsequently measured at amortised cost using the effective interest rate method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Standalone Statement of Profit and Loss.

iv) Derecognition:

A financial liability is derecognised when the obligation specified in the contract is discharged or cancelled or it expires.

n) Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the Standalone Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the assets and settle the liabilities simultaneously.

o) Borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest rate method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. If not, the fee is deferred until the draw down occurs.

Borrowings are removed from the Standalone Balance Sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss as other income | (expense).

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period.

p) Borrowing costs

Borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation. Other borrowing costs are expensed in the period in which they are incurred.

Note 1 Significant accounting policies (continued)

q) Provisions and contingent liabilities

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. These are reviewed at each year end and reflect the best current estimate. Provisions are not recognised for future operating losses.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

Provisions are measured at the present value of best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

r) Employee benefits

Defined benefit plan

Gratuity:

Gratuity liability is a defined benefit obligation and is computed on the basis of an actuarial valuation by an actuary appointed for the purpose as per projected unit credit method at the end of each financial year. The liability or asset recognised in the Standalone Balance Sheet in respect of defined benefit gratuity plan, is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The liability so provided is represented by creation of separate fund and is used to meet the liability as and when it become due for payment in future. Any shortfall in the value of assets over the defined benefit obligation is recognised as a liability with a corresponding charge to the Standalone Statement of Profit and Loss.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows with reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate at the beginning of the period to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Standalone Statement of Profit and Loss.

Note 1 Significant accounting policies (continued)

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur directly in other comprehensive income. They are included in retained earnings in the Statement of changes in equity and in the Standalone Balance Sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

Defined contribution plan

Contributions to defined contribution schemes such as contribution to provident fund, superannuation fund, employees' state insurance corporation, national pension scheme and labour welfare fund are charged as an expense to Standalone Statement of Profit and Loss based on the amount of contribution required to be made as and when services are rendered by the employees. The above benefits are classified as defined contribution schemes as the Company has no further defined obligations beyond the monthly contributions.

Short-term employee benefits

All employee benefits payable within 12 months of service such as salaries, wages, bonus, ex-gratia, medical benefits, etc, are recognised in the year in which the employees render the related service and are presented as current employee benefit obligations. Termination benefits are recognised as an expense as and when incurred.

Short-term employee benefits are provided at undiscounted amount during the accounting period based on service rendered by employees.

Other long-term employee benefits

The liabilities for earned leave is not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in profit or loss.

s) Earnings per share

Earnings per share (EPS) is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted EPS, the net profit for the period attributable to equity shareholders and the weighted average number of equity shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

Note 1 Significant accounting policies (continued)

Estimation of uncertainties relating to the COVID-19 pandemic

The Company has considered possible effects that may result from the COVID-19 pandemic and Russia-Ukraine war in preparation of these Standalone Financial Statements, and used relevant internal and external sources of information and expect that these events will not have any material implications on the operations of the Company in the near future.

Critical estimates and judgements

Preparation of the Standalone Financial Statements require use of accounting estimates, judgements and assumptions, which by definition, will seldom equal the actual results. Appropriate changes in estimates are made as the Management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the Standalone Financial Statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the Standalone Financial Statements. This Note provides an overview of the areas that involves a higher degree of judgements or complexity and of items that are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the Standalone Financial Statements.

The areas involving critical estimates or judgements are:

- i) Estimation for income tax: Note 1 (e)
- ii) Estimation of useful life of tangible assets: Note 1 (g)
- iii) Estimation of provision for inventories: Note 1 (l)
- iv) Allowance for credit losses on trade receivables: Note 1 (j)
- v) Estimation of defined benefit obligations: Note 1 (r)
- vi) Fair value measurements: Note 27.7
- vii) Impairment: Note 1 (h)
- viii) Estimation of claims | liabilities: Note 1 (q)

Estimates and judgements are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.

Note 2 Property, plant and equipment and capital work-in-progress

	942.50	942.50

a) Rights, preferences and restrictions:

The Company has one class of shares referred to as equity shares having a par value of ₹ 10 each.

i) Equity shares:

In the event of liquidation of the Company, the holders of equity shares will be entitled to receive any of the remaining assets of the Company, after distribution of all preferential amounts and preference shares. The distribution will be in proportion to the number of equity shares held by the shareholders. Each holder of equity shares is entitled to one vote per share. Additionally, the Company has authorised, issued and fully paid 0% redeemable non-convertible cumulative preference shares of ₹ 10 each classified as liabilities. These shares do not carry voting rights. Further details are provided in Note 12.

ii) Dividend:

The dividend proposed by the Board, if any, is subject to the approval of shareholders in the ensuing Annual General Meeting, except in case of interim dividend.

b) Details of shareholders holding more than 5% of equity shares:

Note 18 Revenue from operations ¹	2021-22	2020-21
Sale of chemicals	3,987.13	2,718.29
Sale of steam	341.03	314.89
Revenue from contracts with customers	4,328.16	3,033.18
Other operating revenue:		
Scrap sales Other revenue	19.85	8.86
	4,348.01	3,042.04

¹Contracts with customers are for short-term, at an agreed price basis having contracted credit period ranging up to 45 days. These contracts are mainly for sale of chemical products and steam besides sale of scrap and other goods. The contracts do not grant for any right to return to the customers. Return of goods are accepted by the Company only on exceptional basis.

Reconciliation of revenue from contracts with customers recognised at contract price:

(₹ lakhs)

Particulars	2021-22	2020-21
Contract price	4,328.47	3,033.34
Adjustments for:		
Consideration payable to customers - discounts ¹	(0.31)	(0.16)
Revenue from contract with customers	4,328.16	3,033.18

¹Consideration payable to customers like discounts and price reductions offered to customers are estimated on specific identified basis and reduced from the contract price when the Company recognises revenue from the transfer of the related goods or services to the customer and the entity pays or promises to pay the consideration.

Total (income) expense recognised in other comprehensive income	1.43	0.02	1.45
Employer contributions	-	(2.09)	(2.09)
Benefits paid	-	-	-
As at March 31, 2022 liability (asset)	13.24	(16.69)	(3.45)

The net liability disclosed above relates to following funded and unfunded plans:

(₹ lakhs)

Particulars	As at March 31, 2022	As at March 31, 2021
Present value of funded obligations	13.24	9.03
Fair value of plan assets	(16.69)	(13.73)
(Surplus) of gratuity plan	(3.45)	(4.70)

Significant estimates: Actuarial assumptions and sensitivity

The significant actuarial assumptions were as follows:

Particulars	As at March 31, 2022	As at March 31, 2021
Discount rate	6.41%	6.44%
Attrition rate	15.00%	8.00%
Rate of return on plan assets	6.41%	6.44%
Salary escalation rate	10.70%	7.62%
Mortality rate	Indian assured lives mortality (2012-14) urban	Indian assured lives mortality (2006-08) ultimate

Note 27.5 Employee benefit obligations (continued)

Sensitivity analysis

The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions is:

Particulars	Change in assumptions		Impact on defined benefit obligation			
	As at March 31, 2022	As at March 31, 2021	Increase in assumptions		Decrease in assumptions	
			As at March 31, 2022	As at March 31, 2021	As at March 31, 2022	As at March 31, 2021
Discount rate	1.00%	1.00%	(5.62%)	(7.45%)	6.27%	8.50%
Attrition rate	1.00%	1.00%	(2.03%)	(1.38%)	2.19%	1.47%
Salary escalation rate	1.00%	1.00%	5.92%	8.31%	(5.46%)	(7.43%)

The above sensitivity analysis are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions, the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied while calculating the defined benefit liability recognised in the Standalone Balance Sheet.

The methods and types of assumptions used in preparing the sensitivity analysis did not change as compared to the previous year.

Risk exposure

Through its defined contribution plans, the Company is exposed to a number of risks, the most significant of which are detailed below:

i) Interest rate risk

A fall in the discount rate that is linked to the government securities rate will increase the present value of the liability requiring higher provision. A fall in the discount rate generally increases the mark to market value of the assets depending on the duration of asset.

ii) Salary risk

The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than assumed level will increase the plan liability.

iii) Investment risk

The present value of the defined benefit plan liability is calculated using a discount rate, which is determined with reference to market yields at the end of the reporting period on government bonds. If the return on plan asset is below this rate, it will create a plan deficit. Currently, for the plan in India, it has a relatively balanced mix of investments in government securities and other debt instruments.

iv) Concentration risk

Plan is having a concentration risk as all the assets are invested with the insurance company and a default will wipe out all the assets. Although probability of this is very less as insurance companies have to follow regulatory guidelines.

Note 27.5 Employee benefit obligations (continued)

The weighted average duration of the defined benefit obligation is seven years (2020-21: nine years). The expected maturity analysis of gratuity is as follows:

(₹ lakhs)

Particulars	Less than a year	Between 1-2 years	Between 2-5 years	Over 5 years	Total
Defined benefit obligation (gratuity)					
As at March 31, 2022	1.06	1.30	4.12	14.32	20.80
As at March 31, 2021	0.51	0.51	1.96	13.78	16.77

b) Other long-term benefits

Leave encashment is payable to eligible employees who have earned leaves, during the employment and/or on separation as per the policy of the Company. Valuation in respect of leave encashment has been carried out by an independent actuary, as at the Standalone Balance Sheet date, based on the following assumptions:

(₹ lakhs)

Expenses recognised for the year March 31, 2022 (included in Note 24)	2021-22	2020-21
Present value of unfunded obligations	10.47	6.26
- Current	1.59	0.75
- Non-current	8.88	5.51
Expense recognised in the Standalone Statement of Profit and Loss	4.62	0.66
Discount rate	6.41%	6.44%
Salary escalation rate	10.70%	7.62%

c) Defined contribution plans:

Provident fund

State defined contribution plans

Employers' contribution to employees' state insurance

Employers' contribution to employees' pension scheme 1995

The provident fund and the state defined contribution plans are operated by the Regional Provident Fund Commissioner. Under the scheme, the Company is required to contribute a specified percentage of payroll cost to the retirement benefit scheme to fund the benefits. These funds are recognised by the income tax authorities. The contribution of the Company to the provident fund and other contribution plans for all employees is charged to the Standalone Statement of Profit and Loss.

The Company has recognised the following amounts in the Standalone Statement of Profit and Loss for the year (refer Note 24):

Note 27.5 Employee benefit obligations (continued)

(₹ lakhs)

Particulars	2021-22	2020-21
Contribution to provident fund	4.57	2.70
Contribution to employees pension scheme 1995	5.48	3.81
Contribution to employees' state insurance	1.15	0.77
Contribution to employee depository linked insurance	0.33	0.23
	11.53	7.52

Estimation of social security code:

The Parliament of India has approved the Code on Social Security, 2020 (the Code), which may impact the contributions by the Company towards provident fund, gratuity and ESIC. The Ministry of Labour and Employment, Government of India has released draft rules for the Code on November 13, 2020. Final rules are yet to be notified. The Company will assess the impact of the Code when it comes into effect and will record related impact, if any.

a) Fair value hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are: a) recognised and measured at fair value and b) measured at amortised cost and for which fair values are disclosed in the Standalone Financial Statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into three levels prescribed in the Indian Accounting Standard. An explanation of each level follows underneath the table:

(₹ lakhs)

i)	Financial assets and liabilities measured at fair value as at March 31, 2022	Level 1	Level 2	Level 3	Total
	Financial assets				
	Financial investments measured at FVPL:				
	Unquoted equity shares ¹	-	-	42.77	42.77
	Mutual funds at FVPL	-	-	-	-
	Total financial assets	-	-	42.77	42.77

(₹ lakhs)

ii)	Financial assets and liabilities measured at fair value as at March 31, 2021	Level 1	Level 2	Level 3	Total
	Financial assets				
	Financial investments at measured at FVPL:				
	Unquoted equity shares ¹	-	-	42.77	42.77
	Mutual funds at FVPL	-	1,891.50	-	1,891.50
	Total financial assets	-	1,891.50	42.77	1,934.27

Note 27.6 Fair value measurements (continued)

¹Includes investments in Bharuch Enviro Infrastructure Ltd (21,000 equity shares) and Narmada Clean Tech Ltd (4,06,686 equity shares), which are for operation purpose and the Company has to hold it till production at GIDC, Ankleshwar site continues. The Company estimates that the fair value of these investments are not materially different as compared to its cost.

There were no transfers between any levels during the year.

Level 1: This hierarchy includes financial instruments measured using quoted prices. The fair value of all equity instruments that are traded on the stock exchanges is valued using the closing price as at the reporting period.

Level 2: The fair value of financial instruments that are not traded in an active market (for example over-the-counter derivatives) is determined using valuation techniques, which maximise the use of observable market data and rely as little as possible on entity-specific estimates. The mutual fund units are valued using the closing net assets value. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

b) Valuation techniques used to determine fair value

Specific valuation techniques used to value financial instruments include:

- i) the use of quoted market prices or dealer quotes for similar instruments
- ii) the fair value of the remaining financial instruments is determined using discounted cash flow analysis

c) Valuation processes

The Finance department of the Company includes a team that performs the valuations of financial assets and liabilities with assistance from independent external experts when required, for financial reporting purposes, including level 3 fair values.

d) Fair value of financial assets and liabilities measured at amortised cost

(₹ lakhs)

Particulars	As at March 31, 2022	As at March 31, 2021

Borrowings	172.37	320.92
Lease liability	-	0.87
Total financial liabilities	172.37	321.79

Note 27.6 Fair value measurements (continued)

The carrying amounts of trade receivables, bank deposits with less than 12 months maturity, cash and cash equivalents, trade payables, employee benefits payable, payable towards expenses and retention payable are considered to be the same as their fair values due to the current and short-term nature of such balances.

The fair values of non-current borrowings are based on discounted cash flows using a current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs, including own credit risk.

For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

Note 27.7 Financial risk management

The business activities of the Company are exposed to a variety of financial risks, namely liquidity risk, market risk and credit risk. Responsibility for the establishment and oversight of the risk management framework lies with the Senior Management of the Company. The Company has constituted a Risk Management Committee, which is responsible for developing and monitoring the risk management policies of the Company. The key risks and mitigating actions are also placed before the Audit Committee of the Company. The risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the activities of the Company.

The Risk Management Committee of the Company is supported by the Finance team and experts who provide assurance that the financial risk activities of the Company are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the policies and risk objectives of the Company. The objective of the Management is to maintain financial risk and market risk within acceptable parameters, while optimising returns.

This note explains the risks which the Company is exposed to and how the Company manages the risks in the Standalone Financial Statements.

Risk	Exposure arising from	Measurement	Management
Credit risk	Cash and cash equivalents, trade receivables, financial assets measured at amortised cost	Aging analysis and credit rating	Diversification of investments in mutual fund and credit limits
Liquidity risk	Borrowings and other liabilities	Rolling cash flow forecasts	Availability of committed credit lines and borrowing facilities

a) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty fails to meet its contractual obligations. Credit risk arises from cash and cash equivalents, financial assets measured at amortised cost or fair value through profit and loss and deposits with banks and financial institutions, as

well as credit exposures to trade | non-trade customers including outstanding receivables.

i) Credit risk management

Credit risk is managed through the policy surrounding Credit Risk Management.

ii) Provision for expected credit losses

The Company provides for expected credit loss based on the following:

Trade receivables

Trade receivables consist of few customers, majorly of amount receivable from Atul Ltd, the holding company, for which ongoing credit evaluation is performed on the financial condition of the account receivables. Historical experience of collecting receivables of the Company is supported by low level of past default and hence the credit risk is perceived to be low.

b) Liquidity risk

Ultimate responsibility for liquidity risk management rests with the Board of Directors, who has approved an appropriate liquidity risk management framework for short, medium and long-term funding and liquidity management requirements of the Company. The Management monitors rolling forecasts of the liquidity position of the Company and cash and cash equivalents on the basis of expected cash flows and manages liquidity risk by continuously monitoring forecast and actual cash flows and by matching the maturity profiles of financial assets and liabilities.

The following table shows the maturity analysis of financial liabilities of the Company based on contractually agreed undiscounted cash flows including contractual interest payment, as at the Standalone Balance Sheet date:

(₹ lakhs)

Contractual maturities of financial liabilities as at March 31, 2022	Less than 1 year	More than 1 year	Total
Borrowings	200.00	-	200.00
Trade payables	310.98	-	310.98
Creditors for capital goods	25.71	-	25.71
Security deposits payable	20.31	-	20.31
Employee benefits payable	29.86	-	29.86

(₹ lakhs)

Contractual maturities of financial liabilities as at March 31, 2021	Less than 1 year	More than 1 year	Total
Borrowings	200.00	200.00	400.00
Trade payables	314.57	-	314.57
Creditors for capital goods	201.29	-	201.29
Security deposits payable	17.18	-	17.18
Employee benefits payable	17.99	-	17.99

c) Market risk

i) Cash flow and fair value interest rate risk

Maturity analysis of financial liabilities of the Company is based on contractually agreed undiscounted cash flows as at the Balance Sheet date:

Entire borrowings of the Company are from Atul Ltd (holding company) with a fixed rate of borrowing at 0% carried at amortised cost. They are therefore not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

ii) Price risk

Exposure

The Company is mainly exposed to the price risk due to its investments in mutual funds. The price risk arises due to uncertainties about the future market values of these investments. In order to manage its price risk arising from investments in equity instruments, the Company maintains its portfolio in accordance with the framework set by the risk management policies.

Sensitivity

(₹ lakhs)

Particulars	Impact in the Standalone Statement of Profit and Loss	
	March 31, 2022	March 31, 2021
Price increase by 10%*	-	189.15
Price decrease by 10%*	-	(189.15)

*ceteris paribus

Note 27.8 Segment information

The Company operates in a single business segment that is manufacturing of bulk chemicals. Further, its operations are confined within India and the major customer of the Company is Atul Ltd. Accordingly, there are no separate reportable segments as per Ind AS - 108 on 'Operating Segment' and no further disclosures are required.

Note 27.9 Earnings per share

Earnings per share (EPS) - The numerators and denominators used to calculate basic and diluted EPS:

Independent Auditor's Report

To the members of Amal Ltd

Report on the audit of the Consolidated Financial Statements

Opinion

01. We have audited the accompanying Consolidated Financial Statements of Amal Ltd (the Company or the Parent) and its subsidiary company, (the Parent and its subsidiary together referred to as the Group) which comprise the Consolidated Balance Sheet as at March 31, 2022, the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Statement of Cash Flows and the Consolidated statement of changes in equity, for the year then ended and a summary of significant accounting policies and other explanatory information.
02. In our opinion and to the best of our information and according to the explanations given to us the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 (the Act) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended (Ind AS) and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2022, and their consolidated profit, their consolidated total comprehensive income, their consolidated cash flows and their consolidated changes in equity for the year ended on that date.

Basis for opinion

03. We conducted our audit of the Consolidated Financial Statements in accordance with the

Standards on Auditing specified under Section 143 (10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's responsibility for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Financial Statements.

Key audit matter

04. Key audit matter is the matter that, in our professional judgement, was of most significance in our audit of the Consolidated Financial Statements of the current period. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on this matter. We have determined the matter described as follows to be the key audit matter to be communicated in our report.

Key audit matter	Auditor's response
<p>Revenue from sale of goods to the parent company</p> <p>Significant revenue of the Company is generated through sale of goods to its holding company. The occurrence of such transactions and their pricing on an arm's length basis were significant areas of audit focus.</p>	<p>Our procedures included but were not limited to:</p> <ul style="list-style-type: none"> - obtaining a detailed understanding of the Management's processes, controls and policies with respect to related party transactions - evaluating the design of controls including approvals and related compliances - testing implementation and operating effectiveness of the controls that address risks relating to the occurrence and the pricing <p>Performing following procedures on the samples selected:</p> <ul style="list-style-type: none"> - reading and verifying the terms of the purchase orders. Performing corroborative inquiries for the business rational on pricing and relevant terms and conditions, including sighting evidence of transaction of similar products on identical terms with unrelated parties - verifying necessary approvals as per the authorisation matrices - verifying documentary evidence around deliveries and subsequent realisation and obtaining balance confirmations - performing analytical procedures and trend analysis <p>Assessing adequacy and appropriateness of the disclosures in the Financial Statements.</p>

Information other than the Financial Statements and Auditor's Report thereon

- 05. The Board of Directors of the Parent is responsible for the other information. The other information comprises the information included in the letter to shareholders, Directors' Report and its annexure, Management Discussion and Analysis, Corporate Governance Report and performance trend, but does not include the Standalone Financial Statements, Consolidated Financial Statements and our Auditor's Reports thereon.
- 06. Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- 07. In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information and consider whether the other information is materially inconsistent with the Consolidated Financial

Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

- 08. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's responsibility for the Consolidated Financial Statements

- 09. The Board of Directors of the Parent is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Consolidated Financial Statements that give a true and fair view of the consolidated financial position, consolidated financial performance, including other comprehensive income, consolidated cash flows and consolidated changes in equity of the Group in accordance with the Ind AS, and other accounting principles

generally accepted in India. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities, selection and application of appropriate accounting policies, making judgements and estimates that are reasonable and prudent, and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Statements by the Directors of the Parent, as aforesaid.

10. In preparing the Consolidated Financial Statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate their respective entities or to cease operations, or has no realistic alternative but to do so.
11. The respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's responsibility for the audit of the Consolidated Financial Statements

12. Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is

a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they can, reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

13. As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:
 - a) Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - b) Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Parent has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
 - d) Conclude on the appropriateness of management's use of the going concern

basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- e) Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- f) Obtain sufficient appropriate audit evidence regarding the financial information of the business activities within the Group to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the Financial Statements of such entities or business activities included in the Consolidated Financial Statements of which we are the independent auditors. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the Consolidated Financial Statements that individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Financial Statements may be influenced.

We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work and (ii) to evaluate the effect of any identified misstatements in the Consolidated Financial Statements.

We communicate with those charged with governance of the Parent and such other entities included in the Consolidated Financial Statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our Auditor's Report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so will reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

- 14. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements.
 - b) In our opinion, proper books of account as required by law relating to preparation

- of the aforesaid Consolidated Financial Statements have been kept so far as it appears from our examination of those books.
- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Statement of Cash Flows and the Consolidated Statement of changes in equity dealt with by this report are in agreement with the relevant books of account maintained for the purpose of preparation of the Consolidated Financial Statements.
- d) In our opinion, the aforesaid Consolidated Financial Statements comply with the Ind AS specified under Section 133 of the Act.
- e) On the basis of the written representations received from the Directors of the Parent as on March 31, 2022, taken on record by the Board of Directors of the Parent and its subsidiary company, none of the Directors of the Group companies is disqualified as on March 31, 2022, from being appointed as a Director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our separate report in Annexure A, which is based on the Auditor's Reports of the Parent company, subsidiary company to whom internal financial controls over financial reporting is applicable. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of internal financial controls over financial reporting of those Companies, for the reasons stated therein.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended:
- In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Parent to its Directors during the year is in accordance with the provisions of Section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- i. The Consolidated Financial Statements disclose the impact of pending litigations on the consolidated financial position of the Group.
 - ii. The Group did not have any material foreseeable losses on long-term contracts including derivative contracts.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Parent | holding company and its subsidiary company
 - iv. a) The respective Managements of the Company and its subsidiary, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds)

by the Company or any of such subsidiary to or in any other person or entity, including foreign entities (Intermediaries), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company or any of such subsidiary (Ultimate Beneficiaries) or provide any guarantee, security or the like on behalf of the ultimate beneficiaries.

b) The respective Managements of the Company and its subsidiary companies, which are incorporated in India, whose Financial Statements have been audited under the Act, have represented to us and to the other Auditors of such subsidiary companies respectively that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company or any of such subsidiary from any person or entity, including foreign entities (Funding Parties), with the understanding, whether recorded in writing or otherwise, that

the Company or any of such subsidiary shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiary) or provide any guarantee, security or the like on behalf of the ultimate beneficiaries.

c) Based on the audit procedures that has been considered reasonable and appropriate in the circumstances performed by us and those performed by the auditors of the subsidiary, which are companies incorporated in India whose financial statements have been audited under the Act, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

15. With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor's Report) Order, 2020 (the Order) issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor's Report, according to the information and explanations given to us, and based on the CARO reports issued by us as the auditors of respective companies included in the consolidated financial statements to which reporting under CARO is applicable, we report that there are no qualifications or adverse

remarks by the respective auditors in the CARO reports of the said companies included in the Consolidated Financial Statements.

Annexure A to the Independent Auditor's Report

(Referred to in paragraph (f) under 'Report on other legal and regulatory requirements' Section of our report of even date)

Report on the internal financial controls over financial reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (the Act)

01. In conjunction with our audit of the Consolidated Financial Statements of the Company as of and for the year ended March 31, 2022, we have audited the internal financial controls over financial reporting of Amal Limited (the Parent), its subsidiary company as of that date.

Management's responsibility for internal financial controls

02. The respective Board of Directors of the Parent and its subsidiary company are responsible for establishing and maintaining Internal Financial Controls based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the Guidance Note) issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective policies of the Company, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's responsibility

03. Our responsibility is to express an opinion on the internal financial controls over financial

reporting of the Parent and its subsidiary company, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

04. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the Auditor's judgement, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

05. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Parent, its subsidiary company, which are companies incorporated in India.

Meaning of internal financial controls over financial reporting

06. The internal financial controls over financial reporting of the Company is a process designed

to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with Generally Accepted Accounting Principles. The internal financial controls over financial reporting of a company include those policies and procedures that i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with Generally Accepted Accounting Principles and that receipts and expenditures of the Company are being made only in accordance with authorisations of Management and Directors of the Company and iii) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of assets of the company that could have a material effect on the Financial Statements.

and its subsidiary company have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Inherent limitations of internal financial controls over financial reporting

07. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

08. In our opinion to the best of our information and according to the explanations given to us, Parent

Background

Amal Ltd (the Company) is a public company limited by shares, incorporated and domiciled in India. The Company is a subsidiary of Atul Ltd. Its registered office is located at Atul House, 310 B, Veer Savarkar Marg, Dadar (West), Mumbai 400 028, Maharashtra, India and its principal place of business is located at Ankleshwar 393 002, Gujarat, India.

The Company and its subsidiary company are referred as Group hereunder. The Group is engaged in the manufacturing of bulk chemicals such as Sulphuric acid and Oleum and their downstream products such as Sulphur dioxide and Sulphur trioxide.

Note 1 Significant accounting policies

This Note provides a list of the significant accounting policies adopted by the Group in preparation of these Consolidated Financial Statements. These policies have been consistently applied to all the years presented unless otherwise stated. The Consolidated Financial Statements are for the Group consisting of the Company and its subsidiary company.

a) Statement of compliance

The Consolidated Financial Statements comply in all material respects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act, as amended.

b) Basis of preparation

i) Historical cost convention:

The Consolidated Financial Statements have been prepared on a historical cost basis except for the following:

- a) Certain financial assets and liabilities (including derivative instruments): measured at fair value
- b) Defined benefit plans: plan assets measured at fair value

ii) The Consolidated Financial Statements have been prepared on accrual and going concern basis.

iii) Accounting policies are applied consistently to all the periods presented in the Consolidated Financial Statements. All assets and liabilities have been classified as current or non-current as per the normal operating cycle of the Group and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. Based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Group has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

iv) New and amended in the Companies Act, 2013 and the Companies (CSR Policy) Amendment Rules, 2021 adopted by the Group:

The Group has applied the following amendments to Schedule III to the Companies Act, 2013 and the Companies (CSR Policy) Amendment Rules, 2021 for its annual reporting period commencing April 01, 2021:

Note 1 Significant accounting policies (continued)

- a) The Ministry of Corporate Affairs (MCA) has amended Schedule III of the Companies Act 2013, on March 24, 2021. Schedule III of the Companies Act 2013, provides the format of financial statements of companies complying with Accounting Standards (AS) and Ind AS under its Division I and Division II, respectively.
- b) The MCA has notified provisions relating to CSR vide the Companies (Amendment) Act, 2019, Companies (Amendment) Act, 2020, and the Companies (Corporate Social Responsibility Policy) Amendment Rules, 2021, which is effective from January 22, 2021.

v) Recent accounting pronouncements:

The MCA notifies new standards or amendment to the existing standards under the Companies (Indian Accounting Standards) Rules as issued from time to time. On March 23, 2022, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022 as below:

Ind AS 16 - Property, Plant and Equipment:

The amendment clarifies that excess of net sale proceeds of items produced over the cost of testing, if any, shall not be recognised in the Consolidated Statement of Profit and Loss but deducted from the directly attributable costs considered as part of cost of an item of property, plant, and equipment. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2022. The Group has evaluated the amendment and there is no impact on its Consolidated Financial Statements.

Ind AS 37 - Provisions, Contingent Liabilities and Contingent Assets:

The amendment specifies that the cost of fulfilling a contract comprises the costs that relate directly to the contract. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples may be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts (an example may be the allocation of the depreciation charge for an item of property, plant and equipment used in fulfilling the contract). The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2022, although early adoption is permitted. The Group has evaluated the amendments and the impact is not expected to be material.

c) Basis of consolidation

i) Subsidiary company:

Subsidiary company is entity over which the Group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiary company is consolidated from the date on which control is transferred to the Group. They are deconsolidated from the date that control ceases. The Group reassesses whether or not it controls an investee, if facts and circumstances indicate that there are one or more changes to elements of control described above.

The acquisition method of accounting is used to account for business combinations by the Group.

The Group combines the Financial Statements of the Parent and its subsidiary company line by line adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions,

Note 1 Significant accounting policies (continued)

balances and unrealised gains on transactions between Group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting Policies of subsidiary company have been changed where necessary, to ensure consistency with the policies adopted by the Group.

Non-controlling interests in the results and equity of subsidiary company are shown separately in the Consolidated Statement of Profit and Loss, Consolidated Statement of changes in equity and Consolidated Balance Sheet respectively.

ii) Changes in ownership interest:

The Group treats transactions with non-controlling interests that do not result in a loss of control as transactions with equity owners of the Group. A change in ownership interest results in an adjustment between the carrying amounts of the controlling and non-controlling interests to reflect their relative interest in the subsidiary company. Any difference between the amount of the adjustment to non-controlling interests and any consideration paid or received is recognised within equity.

When the Group ceases to consolidate or equity account for an investment because of a loss of control, joint control or significant influence, any retained interest in the entity is remeasured to its fair value with the change in carrying amount recognised in profit or loss. This fair value becomes the initial carrying amount for the purpose of subsequently accounting for the retained interest as an associate company, joint venture company or financial asset. In addition, any amount previously recognised in other comprehensive income in respect of that entity are accounted for as if the Group had directly disposed of the related assets or liabilities. This may mean that amounts previously recognised in other comprehensive income are reclassified to the Consolidated Statement of Profit and Loss.

d) Foreign currency transactions

i) Functional and presentation currency:

Items included in the Financial Statements of each entity of the Group are measured using the currency of the primary economic environment in which the entity operates (functional currency). The Consolidated Financial Statements are presented in Indian Rupee (₹), which is also the functional currency of the Company.

ii) Transactions and balances:

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in the Consolidated Statement of Profit and Loss except that they are deferred in other equity if they relate to qualifying cash flow hedges.

Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the Consolidated Statement of Profit and Loss, within finance costs. All other foreign exchange gains and losses are presented in the Consolidated Statement of Profit and Loss on a net basis within other income.

Note 1 Significant accounting policies (continued)

Non-monetary items that are measured at fair value that are denominated in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain | (loss) Non-monetary items that are measured in terms of historical cost in foreign currency are not revalued.

e) Revenue recognition

i) Revenue from operations:

Revenue is recognised when control of goods is transferred to a customer in accordance with the terms of the contract. The control of the goods is transferred upon delivery to the customers either at factory gate of the Group or specific location of the customer or when the goods are handed over to the freight carrier, as per the terms of the contract. A receivable is recognised by the Group when the goods are delivered to the customer as this represents the point in time at which the right to consideration becomes unconditional, as only the passage of time is required before payment is due.

Revenue is measured based on the consideration to which the Group expects to be entitled as per contract with a customer. The consideration is determined based on the price specified in the contract, net of the estimated variable consideration. Accumulated experience is used to estimate and provide for the variable consideration, using the expected value method and revenue is only recognised to the extent that it is highly probable that a significant reversal will not occur. Contracts with customers are for short-term, at an agreed price basis having contracted credit period ranging up to 45 days. The contracts do not grant any rights of return to the customer. Returns of goods are accepted by the Group only on an exception basis. Revenue excludes any taxes or duties collected on behalf of the government that are levied on sales such as goods and services tax and tax collected at source.

ii) Other income:

Interest income from financial assets is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the Group estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options), but does not consider the expected credit losses.

Dividends are recognised in the Consolidated Statement of Profit and Loss only when the right to receive payment is established; it is probable that the economic benefits associated with the dividend will flow to the Group and the amount of the dividend can be measured reliably.

f) Income tax

Income tax expense comprises current tax and deferred tax. Current tax is the tax payable on the taxable income of the current period based on the applicable income tax rates. Deferred income tax is recognised using the Balance Sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount.

Note 1 Significant accounting policies (continued)

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. The Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate, on the basis of amounts expected to be paid to the tax authorities.

Deferred income tax is provided in full, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the Consolidated Financial Statements. However, deferred tax liabilities are not recognised if they arise from the initial recognition of goodwill. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit | (loss) nor taxable profit | (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantively enacted by the Balance Sheet date and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax liabilities are not recognised for temporary differences between the carrying amount and tax bases of investments in subsidiary company where the Group is able to control the timing of the reversal of the temporary differences and it is probable that the differences will not reverse in the foreseeable future. Deferred tax assets are not recognised for temporary differences between the carrying amount and tax bases of investments in subsidiary company where it is not probable that the differences will reverse in the foreseeable future and taxable profit will not be available against which the temporary difference can be utilised.

The Group considers reversals of deferred income tax liabilities, projected future taxable income and tax planning strategies in making the assessment of deferred tax liabilities and realisability of deferred tax assets. Based on the level of historical taxable income and projections for future taxable income over the periods in which the deferred income tax assets are deductible, the Management believes that the Group will realise the benefits of those deductible differences.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

The Group determines whether to consider each uncertain tax treatment separately or together with one or more other uncertain tax treatments and uses the approach that better predicts the resolution of the uncertainty. The Group applies significant judgement in identifying uncertainties over income tax treatments. The Group assesses whether the Appendix has an impact on its Consolidated Financial Statements.

Note 1 Significant accounting policies (continued)

Upon adoption of Appendix C to Ind AS 12, the Group considered whether it has any uncertain tax positions based on past experience pertaining to income taxes including those related to transfer pricing. The Group has determined its tax position based on tax compliance and present judicial pronouncements and accordingly expects that its tax treatments will be accepted by the taxation authorities.

g) Leases

As a lessee

The Group assesses whether a contract is, or contains a lease, at inception of the contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Group assesses whether: i) the contract involves the use of an identified asset, ii) the Group has substantially all of the economic benefits from use of the asset through the period of the lease or iii) the Group has the right to direct the use of the asset.

At the commencement date of the lease, the Group recognises a right-of-use asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for short-term leases (leases with a term of twelve months or less), leases of low value assets and, for contract where the lessee and lessor has the right to terminate a lease without permission from the other party with no more than an insignificant penalty. The lease expense of such short-term leases, low value assets leases and cancellable leases, are recognised as an operating expense on a straight-line basis over the term of the lease.

At the commencement date, lease liability is measured at the present value of the lease payments to be paid during non-cancellable period of the contract, discounted using the incremental borrowing rate. The right-of-use assets is initially recognised at the amount of the initial measurement of the corresponding lease liability, lease payments made at or before commencement date less any lease incentives received and any initial direct costs.

Subsequently, the right-of-use asset is measured at cost less accumulated depreciation and any impairment losses. Lease liability is subsequently measured by increasing the carrying amount to reflect interest on the lease liability (using effective interest rate method) and reducing the carrying amount to reflect the lease payments made. The right-of-use asset and lease liability are also adjusted to reflect any lease modifications or revised in-substance fixed lease payments.

As a lessor

Leases for which the Group is a lessor are classified as finance or operating leases. Whenever the terms of the lease substantially transfer all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

Income from operating leases where the Group is a lessor is recognised as income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the Consolidated Balance Sheet based on their nature. Leases of property, plant and equipment where the Group as a lessor has substantially transferred all the risks and rewards are classified as finance

Note 1 Significant accounting policies (continued)

lease. Finance leases are capitalised at the inception of the lease at the fair value of the leased property or, if lower, the present value of the minimum lease payments. The corresponding rent receivables, net of interest income, are included in other financial assets. Each lease receipt is allocated between the asset and interest income. The interest income is recognised in the Consolidated Statement of Profit and Loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the asset for each period.

Under combined lease agreements, land and building are assessed individually.

h) Property, plant and equipment

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at acquisition cost net of accumulated depreciation and accumulated impairment losses, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Acquisition cost may also include transfers from equity of any gains or losses on qualifying cash flow hedges of foreign currency purchases of property, plant and equipment.

Subsequent costs are included in the carrying amount of asset or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. Gains or losses arising on retirement or disposal of assets are recognised in the Consolidated Statement of Profit and Loss.

Spare parts, stand-by equipment and servicing equipment are recognised as property, plant and equipment if they are held for use in the production or supply of goods or services, for rental to others, or for administrative purposes and are expected to be used during more than one period.

Property, plant and equipment that are not ready for intended use as on the date of Consolidated Balance Sheet are disclosed as 'capital work-in-progress'.

Depreciation methods, estimated useful lives and residual value

The charge in respect of periodic depreciation is derived after determining an estimate of expected useful life and the expected residual value at the end of its life of the assets. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their lives.

Depreciation is calculated on a pro-rata basis on the straight-line method from the date of acquisition | installation till the date the assets are sold or disposed of:

Asset category	Estimated useful life
Buildings	5 to 60 years
Plant and equipment	3 to 20 years
Vehicles	6 to 10 years
Office equipment and furniture	3 to 10 years

The useful lives have been determined based on technical evaluation done by the Management | experts, which are different from the useful life prescribed in Part C of Schedule II to the Act, in order to reflect the

Note 1 Significant accounting policies (continued)

actual usage of the assets. The residual values are not more than 5% of the original cost of the asset. The residual values, useful lives and method of depreciation of property, plant and equipment are reviewed annually and adjusted prospectively, if appropriate.

The property, plant and equipment, including land acquired under finance leases are depreciated over the useful life of the asset or over the shorter of the useful life of the asset and the lease term if there is no reasonable certainty that the Group will obtain ownership at the end of the lease term.

The carrying amount of an asset is written down immediately to its recoverable amount if the carrying amount of the asset is greater than its estimated recoverable amount.

Land accounted under finance lease is amortised on a straight-line basis over the primary period of lease.

Assets held under finance leases are depreciated over their expected useful lives on the same basis as owned assets. However, when there is no reasonable certainty, that ownership will be obtained by the end of the lease term, assets are depreciated over the shorter of the lease term and their useful life.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the Consolidated Statement of Profit and Loss within other income.

i) Impairment

The carrying amount of assets are reviewed at each Consolidated Balance Sheet date to assess if there is any indication of impairment based on internal | external factors. An impairment loss on such assessment will be recognised wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount of the assets is net selling price or value in use, whichever is higher. While assessing value in use, the estimated future cash flows are discounted to the present value by using weighted average cost of capital. A previously recognised impairment loss is further provided or reversed depending on changes in the circumstances and to the extent that carrying amount of the assets does not exceed the carrying amount that would have been determined if no impairment loss had previously been recognised.

j) Cash and cash equivalents

Cash and cash equivalents include cash in hand, demand deposits with bank and other short-term (three months or less from the date of acquisition), highly liquid investments that are readily convertible into cash and which are subject to an insignificant risk of changes in value.

k) Trade receivables

Trade receivables are recognised when the right to consideration becomes unconditional. These assets are held at amortised cost, using the effective interest rate (EIR) method where applicable, less provision for impairment based on expected credit loss.

l) Trade and other payables

These amounts represent liabilities for goods and services provided to the Group prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months from the reporting date. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest rate method.

Note 1 Significant accounting policies (continued)

m) Inventories

Inventories are stated at cost or net realisable value, whichever is lower. Cost is determined on periodic moving weighted average basis.

Net realisable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to effect the sale.

Cost comprises all costs of purchase, costs of conversion and other costs incurred in bringing the inventory to the present location and condition.

Due allowances are made for slow | non-moving, defective and obsolete inventories based on estimates made by the Group.

Items such as spare parts, stand-by equipment and servicing equipment that are not plant and machinery get classified as inventory.

n) Investments and other financial assets

Classification and measurement

The Group classifies its financial assets in the following measurement categories:

- i) Those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss)
- ii) Those measured at amortised cost

The classification depends on business model of the Group for managing financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income (OCI). For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Group has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through OCI.

Debt instruments

Initial recognition and measurement:

Financial asset is recognised when the Group becomes a party to the contractual provisions of the instrument. Financial asset is recognised initially at fair value plus, in the case of financial asset not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Transaction costs of financial asset carried at fair value through profit or loss are expensed in the Consolidated Statement of Profit and Loss.

Subsequent measurement:

Subsequent measurement of debt instruments depends on the business model of the Group for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Group classifies its debt instruments:

Note 1 Significant accounting policies (continued)

Measured at amortised cost:

Financial assets that are held within a business model whose objective is to hold financial assets in order to collect contractual cash flows that are solely payments of principal and interest, are subsequently measured at amortised cost using the EIR method less impairment, if any, the amortisation of EIR and loss arising from impairment, if any is recognised in the Consolidated Statement of Profit and Loss.

Measured at fair value through other comprehensive income (FVOCI):

Financial assets that are held within a business model whose objective is achieved by both, selling financial assets and collecting contractual cash flows that are solely payments of principal and interest, are subsequently measured at fair value through other comprehensive income. Fair value movements are recognised in the OCI. Interest income measured using the EIR method and impairment losses, if any are recognised in the Consolidated Statement of Profit and Loss. On derecognition, cumulative gain | (loss) previously recognised in OCI is reclassified from the equity to other income in the Consolidated Statement of Profit and Loss.

Measured at fair value through profit or loss(FVPL):

A financial asset not classified as either amortised cost or FVOCI, is classified as FVPL. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognised as other income in the Consolidated Statement of Profit and Loss.

Equity instruments

The Group subsequently measures all investments in equity instruments at fair value. The Management of the Group has elected to present fair value gains and losses on its investment equity instruments in other comprehensive income and there is no subsequent reclassification of these fair value gains and losses to the Consolidated Statement of Profit and Loss. Dividends from such investments continue to be recognised in the Statement of Profit and Loss as other income when the right to receive payment is established.

Changes in the fair value of financial assets at FVPL are recognised in the Statement of Profit and Loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

Impairment of financial assets

The Group assesses on a forward looking basis the expected credit losses associated with its financial assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade and lease receivables only, the Group applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of such receivables. The Group computes expected lifetime losses based on a provision matrix which takes into account historical credit loss experience and adjusted for forward-looking information.

Derecognition

A financial asset is derecognised only when the Group has transferred the rights to receive cash flows from the financial asset, the asset expires or the Group retains the contractual rights to receive the cash flows of

Note 1 Significant accounting policies (continued)

the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients. Where the entity has transferred an asset, the Group evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised through the Consolidated Statement of Profit and Loss or other comprehensive income as applicable. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Group has not retained control of the financial asset. Where the Group retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

Financial liabilities

i) Classification as debt or equity:

Financial liabilities and equity instruments issued by the Group are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

ii) Initial recognition and measurement:

Financial liabilities are recognised when the Group becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the fair value.

iii) Subsequent measurement:

Financial liabilities are subsequently measured at amortised cost using the effective interest rate method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Consolidated Statement of Profit and Loss.

iv) Derecognition:

A financial liability is derecognised when the obligation specified in the contract is discharged or cancelled or expired.

o) Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the Consolidated Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the assets and settle the liabilities simultaneously.

p) Borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in Consolidated Statement of Profit and Loss over the period of the borrowings using the EIR method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. If not, the fee is deferred until the draw down occurs.

Note 1 Significant accounting policies (continued)

Borrowings are removed from the Consolidated Balance Sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in the Consolidated Statement of Profit and Loss as other income | (expense).

Borrowings are classified as current liabilities unless the Group has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period.

q) **Borrowing costs**

Borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation. Other borrowing costs are expensed in the period in which they are incurred.

r) **Provisions and contingent liabilities**

Provisions are recognised when the Group has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. These are reviewed at each year end and reflect the best current estimate. Provisions are not recognised for future operating losses.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

Provisions are measured at the present value of best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

s) **Employee benefits**

Defined benefit plan

Gratuity:

Gratuity liability is a defined benefit obligation and is computed on the basis of an actuarial valuation by an actuary appointed for the purpose as per projected unit credit method at the end of each financial year. The liability or asset recognised in the Consolidated Balance Sheet in respect of defined benefit gratuity plan

Note 1 Significant accounting policies (continued)

is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The liability so provided is represented by creation of separate fund and is used to meet the liability as and when it becomes due for payment in future. Any shortfall in the value of assets over the defined benefit obligation is recognised as a liability with a corresponding charge to the Consolidated Statement of Profit and Loss.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows with reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate at the beginning of the period to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Consolidated Statement of Profit and Loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur directly in other comprehensive income. They are included in retained earnings in the Consolidated Statement of changes in equity and in the Consolidated Balance Sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

Defined contribution plan

Contributions to defined contribution schemes such as contribution to provident fund, superannuation fund, employees' state insurance corporation, national pension scheme and labours welfare fund are charged as an expense to the Consolidated Statement of Profit and Loss based on the amount of contribution required to be made as and when services are rendered by the employees. The above benefits are classified as defined contribution schemes as the Group has no further defined obligations beyond the monthly contributions.

Short-term employee benefits

All employee benefits payable within 12 months of service such as salaries, wages, bonus, ex-gratia, medical benefits, etc are recognised in the year in which the employees render the related service and are presented as current employee benefit obligations. Termination benefits are recognised as an expense as and when incurred.

Short-term employee benefits are provided at undiscounted amount during the accounting period based on service rendered by employees.

Other long-term employee benefits

The liabilities for earned leave is not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in profit or loss.

Note 1 Significant accounting policies (continued)

t) Earnings per share

Earnings per share (EPS) is calculated by dividing the net profit or loss for the period attributable to equity shareholders of the Amal Ltd by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the EPS is the net profit for the period and any attributable tax thereto for the period.

For the purpose of calculating diluted EPS, the net profit for the period attributable to equity shareholders of Amal Ltd and the weighted average number of equity shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

Estimation of uncertainties relating to the COVID-19 pandemic

The Group has considered possible effects that may result from the COVID-19 pandemic and Russia-Ukraine war in preparation of these Consolidated Financial Statements, and used relevant internal and external sources of information and expects that these events will not have any material implications on the operations of the Group in the near future.

Critical estimates and judgements

Preparation of the Consolidated Financial Statements require the use of accounting estimates, judgements and assumptions, which by definition, will seldom equal the actual results. Appropriate changes in estimates are made as the Management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the Consolidated Financial Statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the Consolidated Financial Statements. This Note provides an overview of the areas that involves a higher degree of judgement or complexity and of items that are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the Consolidated Financial Statements.

The areas involving critical estimates or judgements are:

- i) Estimation for income tax: Note 1 (f)
- ii) Estimation of useful life of tangible assets: Note 1 (h)
- iii) Estimation of provision for inventories: Note 1 (m)
- iv) Allowance for credit losses on trade receivable: Note 1 (k)
- v) Estimation of defined benefit obligation: Note 1 (s)
- vi) Impairment: Note 1 (n)

Estimates and judgements are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Group and that are believed to be reasonable under the circumstances.

	942.50	942.50

a) Rights, preferences and restrictions:

The Group has one class of shares referred to as equity shares having a par value of ₹ 10 each.

i) Equity shares:

In the event of liquidation of the Group, the holders of equity shares will be entitled to receive the remaining assets of the Group, after distribution of all preferential amounts and preference shares. The distribution will be in proportion to the number of equity shares held by the shareholders. Each holder of equity shares is entitled to one vote per share. Additionally, the Group has authorised and issued fully paid 0% redeemable and non-convertible cumulative preference shares of ₹ 10 each classified as liabilities. These shares do not carry voting rights. Further details are provided in Note 11.

ii) Dividend:

The dividend proposed by the Board, if any is subject to the approval of shareholders in the ensuing Annual General Meeting, except in case of interim dividend.

b) Details of shareholders holding more than 5% of equity shares:

No.	Name of the shareholder	As at March 31, 2022		As at March 31, 2021

Refer Consolidated Statement of changes in equity for detailed movement in other equity balance.

Note 10 Other equity (continued)

Nature and purpose of other reserves

a) Securities premium

Securities premium is used to record the premium on issue of shares. The reserve is utilised in accordance with the provisions of the Companies Act, 2013.

b) Retained earnings

Retained earnings are the profits that the Group has earned till date, less, any transfers to general reserve, any transfers from or to other comprehensive income, dividends or other distributions paid to shareholders.

c) Other reserves

As per Modified Sanction Scheme MS-10 and MS-13 approved by the Board of Industrial Finance and Reconstruction, the Company had issued 0% redeemable and non-convertible preference shares of ₹ 1,000 lakhs to Atul Ltd (promoter) and received interest free secured loan of ₹ 1,128.89 lakhs and interest free unsecured loan of ₹ 539.58 lakhs from Atul Ltd. These financial liabilities are measured at amortised cost and the initial fair value difference is recognised as capital contribution from Atul Ltd.

(₹ lakhs)

As at March 31, 2022 liability (asset)	13.24	(16.69)	(3.45)

The net liability disclosed above relates to following funded and unfunded plans:

(₹ lakhs)

Particulars	As at March 31, 2022	As at March 31, 2021
Present value of funded obligations	13.24	9.03
Fair value of plan assets	(16.69)	(13.73)
(Surplus) of gratuity plan	(3.45)	(4.70)

Significant estimates: Actuarial assumptions and sensitivity

The significant actuarial assumptions were as follows:

Particulars	As at March 31, 2022	As at March 31, 2021
Discount rate	6.41%	6.44%
Attrition rate	15.00%	8.00%
Rate of return on plan assets	6.41%	6.44%
Salary escalation rate	10.70%	7.62%
Mortality rate	Indian assured lives mortality (2012-14) urban	Indian assured lives mortality (2006-08) ultimate

Note 26.5 Employee benefit obligations (continued)

Sensitivity analysis

The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions is:

Particulars	Change in assumptions		Impact on defined benefit obligation			
			Increase in assumptions		Decrease in assumptions	
	As at March 31, 2022	As at March 31, 2021	As at March 31, 2022	As at March 31, 2021	As at March 31, 2022	As at March 31, 2021
Discount rate	1.00%	1.00%	(5.62%)	(7.45%)	6.27%	8.50%
Attrition rate	1.00%	1.00%	(2.03%)	(1.38%)	2.19%	1.47%
Salary escalation rate	1.00%	1.00%	5.92%	8.31%	(5.46%)	(7.43%)

The above sensitivity analysis are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions, the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied while calculating the defined benefit liability recognised in the Consolidated Balance Sheet.

The methods and types of assumptions used in preparing the sensitivity analysis did not change as compared to the previous year.

Risk exposure

Through its defined contribution plans, the Group is exposed to a number of risks, the most significant of which are detailed below:

i) Interest rate risk

A fall in the discount rate which is linked to the government securities rate will increase the present value of the liability requiring higher provision. A fall in the discount rate generally increases the mark to market value of the assets depending on the duration of asset.

ii) Salary risk

The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than assumed level will increase the plan liability.

iii) Investment risk

The present value of the defined benefit plan liability is calculated using a discount rate, which is determined with reference to market yields at the end of the reporting period on government bonds. If the return on plan asset is below this rate, it will create a plan deficit. Currently, for the plan in India, it has a relatively balanced mix of investments in government securities and other debt instruments.

iv) Concentration risk

Plan is having a concentration risk as all the assets are invested with the insurance company and a default will wipe out all the assets. Although probability of this is very less as insurance companies have to follow regulatory guidelines.

Note 26.5 Employee benefit obligations (continued)

The weighted average duration of the defined benefit obligation is seven years (2020-21: nine years). The expected maturity analysis of gratuity is as follows:

(₹ lakhs)

Particulars	Less than a year	Between 1 - 2 years	Between 2 - 5 years	Over 5 years	Total
Defined benefit obligation (gratuity)					
As at March 31, 2022	1.06	1.30	4.12	14.32	20.80
As at March 31, 2021	0.51	0.51	1.96	13.78	16.77

b) Other long-term benefits

Leave encashment is payable to eligible employees who have earned leaves, during the employment and/or on separation as per the policy of the Group. Valuation in respect of leave encashment has been carried out by an independent actuary, as at the Balance Sheet date, based on the following assumptions

(₹ lakhs)

Expenses recognised for the year ended on March 31, 2022 (included in Note 23)	2021-22	2020-21
Present value of unfunded obligations	10.47	6.26
- Current	1.59	0.75
- Non-current	8.88	5.51
Expense recognised in the Consolidated Statement of Profit and Loss	4.62	0.66
Discount rate	6.41%	6.44%
Salary escalation rate	10.70%	7.62%

c) Defined contribution plans:**Provident fund****State defined contribution plans**

Employers' contribution to employees' state insurance

Employers' contribution to employees' pension scheme 1995

The provident fund and the state defined contribution plans are operated by the Regional Provident Fund Commissioner. Under the scheme, the Group is required to contribute a specified percentage of payroll cost to the retirement benefit scheme to fund the benefits. These funds are recognised by the income tax authorities. The contribution of the Group to the provident fund and other contribution plans for all employees is charged to the Consolidated Statement of Profit and Loss.

The Group has recognised the following amounts in the Consolidated Statement of Profit and Loss for the year (refer Note 23):

(₹ lakhs)

Particulars	2021-22	2020-21
Contribution to provident fund	4.58	2.70
Contribution to employees pension scheme 1995	5.53	3.81
Contribution to employees' state insurance	1.15	0.77
Contribution to employee depository linked insurance	0.33	0.23
	11.59	7.52

Note 26.5 Employee benefit obligations (continued)

Estimation of social security code:

The Parliament of India has approved the Code on Social Security, 2020 (the Code), which may impact the contributions by the Company towards provident fund, gratuity and ESIC. The Ministry of Labour and Employment, Government of India has released draft rules for the Code on November 13, 2020. Final rules are yet to be notified. The Company will assess the impact of the Code when it comes into effect and will record related impact, if any.

a) Fair value hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are: a) recognised and measured at fair value and b) measured at amortised cost and for which fair values are disclosed in the Consolidated Financial Statements. To provide an indication about the reliability of the inputs used in determining fair value, the Group has classified its financial instruments into the 3 levels prescribed in the Indian Accounting Standard. An explanation of each level follows underneath the table:

Note 26.6 Fair value measurements (continued)

(₹ lakhs)

i)	Financial assets and liabilities measured at fair value as at March 31, 2022	Level 1	Level 2	Level 3	Total
	Financial assets				
	Financial investments measured at FVPL:				
	Unquoted equity shares ¹	-	-	42.77	42.77
	Mutual funds at FVPL	-	-	-	-
	Total financial assets	-	-	42.77	42.77

(₹ lakhs)

ii)	Financial assets and liabilities measured at fair value as at March 31, 2021	Level 1	Level 2	Level 3	Total
	Financial assets				
	Financial investments measured at FVPL:				
	Unquoted equity shares ¹	-	-	42.77	42.77
	Mutual funds at FVPL	-	1,911.74	-	1,911.74
	Total financial assets	-	1,911.74	42.77	1,954.51

¹Includes investments in Bharuch Enviro Infrastructure Ltd (21,000 equity shares) and Narmada Clean Tech Ltd (4,06,686 equity shares) that are for operation purposes and the Company expects its refund on exit. The Group estimates that the fair value of these investments are not materially different as compared to its cost.

There were no transfers between any levels during the year.

Level 1: This hierarchy includes financial instruments measured using quoted prices. The fair value of all equity instruments, that are traded on the stock exchanges is valued using the closing price as at the reporting period.

Level 2: The fair value of financial instruments that are not traded in an active market (for example over-the-counter derivatives) is determined using valuation techniques, which maximise the use of observable market data and rely as little as possible on entity-specific estimates. The mutual fund units are valued using the closing net assets value. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

b) Valuation techniques used to determine fair value

Specific valuation techniques used to value financial instruments include:

- the use of quoted market prices or dealer quotes for similar instruments,
- the fair value of the remaining financial instruments is determined using discounted cash flow analysis.

c) Valuation processes

The Finance department of the Group includes a team that performs the valuations of financial assets and liabilities with assistance from independent external experts when required, for financial reporting purposes, including level 3 fair values.

Note 26.6 Fair value measurements (continued)

d) Fair value of financial assets and liabilities measured at amortised cost

(₹ lakhs)

Particulars	As at	As at
	March 31, 2022	March 31, 2021
	Carrying amount	Carrying amount
	Fair value	Fair value
Financial assets		
Security deposits for utilities and premises	22.66	37.35
Sales tax paid under protest	-	0.50
Total financial assets	22.66	37.85
Financial liabilities		
Borrowings	5,105.32	565.05
Lease liability	-	0.87
Total financial liabilities	5,105.32	565.92

The carrying amounts of trade receivables, bank deposits with less than 12 months maturity, cash and cash equivalents, trade payables, capital creditors, employee benefits payable, payable towards expenses and security deposits payable are considered to be the same as their fair values due to the current and short-term nature of such balances.

The fair values of non-current borrowings are based on discounted cash flows using a current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs, including own credit risk.

For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

Note 26.7 Financial risk management

The business activities of the Group are exposed to a variety of financial risks, namely liquidity risk, market risk and credit risk. Responsibility for the establishment and oversight of the risk management framework lies with the Senior Management of the Group. The Group has constituted a Risk Management Committee, which is responsible for developing and monitoring the risk management policies of the Group. The key risks and mitigating actions are also placed before the Audit Committee of the Group. The risk management policies are established to identify and analyse the risks faced by the Group, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the activities of the Group.

The Risk Management Committee of the Group is supported by the Finance team and experts who provide assurance that the financial risk activities of the Group are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the policies and risk objectives of the Group. The objective of the Management is to maintain financial risk and market risk within acceptable parameters, while optimising returns.

This note explains the risks which the Group is exposed to and how the Group manages the risks in the Consolidated Financial Statements.

Note 26.7 Financial risk management (continued)

Risk	Exposure arising from	Measurement	Management
Credit risk	Cash and cash equivalents, trade receivables, financial assets measured at amortised cost	Aging analysis and credit rating	Diversification of investments in mutual fund and credit limits
Liquidity risk	Borrowings and other liabilities	Rolling cash flow forecasts	Availability of committed credit lines and borrowing facilities

a) Credit risk

Credit risk is the risk of financial loss to the Group, if a customer or counterparty fails to meet its contractual obligations. Credit risk arises from cash and cash equivalents, financial assets measured at amortised cost or fair value through profit and loss and deposits with banks and financial institutions, as well as credit exposures to trade | non-trade customers including outstanding receivables.

i) Credit risk management

Credit risk is managed through the policy surrounding Credit Risk Management.

ii) Provision for expected credit losses

The Group provides for expected credit loss based on the following:

Trade receivables

Trade receivables consist of few customers, majorly of amount receivable from Atul Ltd, the holding company for which ongoing credit evaluation is performed on the financial condition of the account receivables. Historical experience of collecting receivables of the Group is supported by low level of past default and hence the credit risk is perceived to be low.

b) Liquidity risk

Ultimate responsibility for liquidity risk management rests with the Board of Directors, who has approved an appropriate liquidity risk management framework for short, medium and long-term funding and liquidity management requirements of the Group. The Management monitors rolling forecasts of the liquidity position of the Group and cash and cash equivalents on the basis of expected cash flows and manages liquidity risk by continuously monitoring forecast and actual cash flows and by matching the maturity profiles of financial assets and liabilities.

The following table shows the maturity analysis of financial liabilities of the Group based on contractually agreed undiscounted cash flows including contractual interest payment, as at the Balance Sheet date:

(₹ lakhs)

Contractual maturities of financial liabilities as at March 31, 2022	Less than 1 year	More than 1 year	Total
Borrowings	1,112.31	4,020.64	5,132.95
Capital creditors	560.00	-	560.00
Trade payables	310.91	-	310.91
Lease liability	-	-	-
Security deposits payable	47.92	-	47.92
Employee benefits payable	32.66	-	32.66

**Note 26.7 Financial risk management (continued)**

(₹ lakhs)

Contractual maturities of financial liabilities as at March 31, 2021	Less than 1 year	More than 1 year	Total
Borrowings	200.00	444.13	644.13
Capital creditors	339.92	-	339.92
Trade payables	314.80	-	314.80
Lease liability	-	0.87	0.87
Security deposits payable	19.51	-	19.51
Employee benefits payable	17.97	-	17.97

c) Market risk**i) Cash flow and fair value interest rate risk**

Maturity analysis of financial liabilities of the Group is based on contractually agreed undiscounted cash flows as at the Balance Sheet date:

Borrowings of the Company from the Atul Ltd (holding company) and have a fixed rate borrowings that is 0% and are carried at amortised cost. They are therefore not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

Borrowings of the Company from Axis Bank Ltd and is mainly exposed to interest rate risk due to its variable interest rate borrowings. The interest rate risk arises due to uncertainties about the future market interest rate of these borrowings.

As an estimation of the approximate impact of the interest rate risk, with respect to financial instruments, the Group has calculated the impact of a 25 bps change in interest rates. A 25 bps increase in interest rates might have led to approximately an additional impact of ₹ 12.33 lakhs (2020-21: ₹ 0.61 lakhs). A 25 bps decrease in interest rates might have led to an equal but opposite effect.

ii) Price risk**Exposure**

The Group is mainly exposed to the price risk due to its investments in mutual funds. The price risk arises due to uncertainties about the future market values of these investments. In order to manage its price risk arising from investments in equity instruments, the Group maintains its portfolio in accordance with the framework set by the risk management policies.

Sensitivity

(₹ lakhs)

Particulars	Impact in the Consolidated Statement of Profit and Loss	
	March 31, 2022	March 31, 2021
Price increase by 10%*	-	191.17
Price decrease by 10%*	-	(191.17)

*Ceteris paribus

Note 26.8 Segment information

The Group operates in a single business segment that is manufacturing of bulk chemicals. Further, its operations are confined within India and the major customers of the Group is Atul Ltd. Accordingly, there are no separate reportable segments as per Ind AS - 108 on 'Operating Segment' and no further disclosures are required.

Note 26.9 Earnings per share

Earnings per share (EPS) - The numerators and denominators used to calculate basic and diluted EPS:

Particulars		2021-22	2020-21
Profit for the year attributable to the equity shareholders	₹ lakhs	110.94	879.75
