INDEPENDENT AUDITOR'S REPORT

To The Members of Atul Finserv Limited Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying Standalone Financial Statements of Atul Finserv Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2024, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended and notes to the Standalone Financial Statements including a summary of material accounting policies and other explanatory information and which includes one joint operation whose legal status is an entity accounted on proportionate basis.

In our opinion and to the best of our information and according to the explanations given to us and based on consideration of reports of one joint operation, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 (the Act) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act (Ind AS) and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, and its loss, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the Standalone Financial Statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial Statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Board of Directors of the Company is responsible for the other information. The other information comprises the information included in the Directors' report and its annexure, but does not include the Standalone Financial Statements and our Auditor's Report thereon.

- Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially

inconsistent with the Standalone Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

• If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The respective Board of Directors of the Company and the designated partners of the Joint Operation are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance including other Comprehensive Income, cash flows and changes in equity of the Company including its Joint Operation in accordance with the Ind AS prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the financial reporting process of the Company.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

 Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are
 also responsible for expressing our opinion on whether the Company has adequate internal
 financial controls with reference to Standalone Financial Statements in place and the operating
 effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of use of the going concern basis of accounting by the Management and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the Company and joint operations to express an opinion on the Standalone Financial Statements. We are responsible for the direction, supervision and performance of the audit of the Standalone Financial Statements of such entities or business activities included in the Standalone Financial Statements of which we are the independent auditors.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

- As required by Section 143(3) of the Act, based on our audit we report, that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books, except for matters stated in (i)(vi) below.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flow and Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid Standalone Financial Statements comply with the Indian Accounting Standards specified under section 133 of the Act.
 - e) On the basis of the written representations received from the directors of the Company as on March 31, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) The modification relating to the maintenance of accounts and other matters connected therewith, is as stated in paragraph (b) above.
 - g) With respect to the adequacy of the internal financial controls with reference to Standalone Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal financial controls with reference to Standalone Financial Statements of the Company.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
 - i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - The Company has disclosed the impact of pending litigations on its financial position in its Standalone Financial Statements; Refer Note 26.01 to the Standalone Financial Statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (b) The Management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the Standalone Financial Statements, no funds have been received by the Company from any person or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the ultimate beneficiaries.
 - (c) Based on the audit procedures that has been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
 - v. The Company has not declared or paid any dividend during the year and has not proposed final dividend for the year.
 - vi. Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the year ended March 31, 2024 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software, except that in respect of aforesaid accounting software, audit trail was not enabled at the database level to log any direct data changes.

Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with, in respect of aforesaid accounting software for which the audit trail feature was operating. (Refer Note: 26.22 – to the Standalone Financial Statements)

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11 (g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.

• As required by the Companies (Auditor's Report) Order, 2020 (the Order) issued by the Central Government in terms of Section 143(11) of the Act, we give in Annexure B, a statement on the matters specified in paragraphs 3 and 4 of the Order. The said order is not applicable to Joint Operation.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

Referred to in paragraph 1(g) under "Report on Other legal and regulatory requirements" Section of our report of even date

Report on the Internal Financial Controls with reference to Standalone Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the Internal Financial Controls with reference to Standalone Financial Statements of Atul Finserv Limited ("the Company") as of March 31, 2024 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date. Internal Financial Controls with reference to Standalone Financial Statements is not applicable to the company's Joint Operation and hence it has not been subjected to the audit of its Internal Financial Controls with reference to Standalone Financial Statements.

Management's Responsibility for Internal Financial Controls

The Management of the Company is responsible for establishing and maintaining Internal Financial Controls with reference to Standalone Financial Statements based on the internal controls with reference to Standalone Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate Internal Financial Controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's Internal Financial Controls with reference to Standalone Financial Statements of the Company except its Joint Operations based on our audit. We conducted our audit in accordance with the Guidance Note issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of Internal Financial Controls with reference to Standalone Financial Statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate Internal Financial Controls with reference to Standalone Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the Internal Financial Controls system with reference to Standalone Financial Statements and their operating effectiveness. Our audit of Internal Financial Controls with reference to Standalone Financial Statements included obtaining an understanding of Internal Financial Controls with reference to Standalone Financial Statements, assessing the risk that a material weakness exists, and testing and

evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the Auditor's judgement, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Internal Financial Controls with reference to Standalone Financial Statements of the Company.

Meaning of Internal Financial Controls with reference to Standalone Financial Statements

A Company's internal financial control with reference to Standalone Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. Internal financial control with reference to Standalone Financial Statements of the Company includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the assets of the Company that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Standalone Financial Statements

Because of the inherent limitations of Internal Financial Controls with reference to Standalone Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal Financial Controls with reference to Standalone Financial Statements to future periods are subject to the risk that the Internal Financial Control with reference to Standalone Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us the Company has, in all material respects, an adequate Internal Financial Controls with reference to Standalone Financial Statements and such Internal Financial Controls with reference to Standalone Financial Statements were operating effectively as at March 31, 2024, based on the internal control with reference to Standalone Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the Institute of Chartered Accountants of India.

Annexure B to the Independent Auditor's Report

Referred to in paragraph 2 under 'Report on other legal and regulatory requirements' section of our report of even date.

To the best of our information and explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

- (i) (a) In respect of the Company's Property, Plant and Equipment, right-of-use assets and Intangible Assets:
 - (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of right-of-use asset.
 - (B) The Company has maintained proper records showing full particulars of intangible assets
 - (b) The property, plant and equipment, (capital work in progress and right of use assets) were physically verified during the year by the Management which, in our opinion, provides for physical verification at reasonable intervals. According to the information and explanation given to us, no material discrepancies were noticed on such verification.
 - (c) The Company does not have any immovable properties other than properties where the Company is lessee, and the lease agreements are duly executed in favour of the lessee and hence reporting under clause (i) (c) of the Order is not applicable.
 - (d) The Company has not revalued any of its property, plant and equipment (including Right of Use assets) and intangible assets during the year.
 - (e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2024 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- ii. (a) The Company does not have any inventory and hence reporting under clause (ii)(a) of the Order is not applicable.
 - (b) The Company has not been sanctioned any working capital facility from banks or financial institutions at any point of time of the year and hence reporting under clause (ii)(b) of the Order is not applicable.
- iii. The Company has made investments in, granted loans, secured or unsecured to companies, Limited Liability Partnership or any other parties during the year, in respect of which:
 - (a) The Company has provided loans during the year and the details of which are given below:

| Particulars | Loans (₹ in lakhs) |
|--|-----------------------|
| A. Aggregate amount granted /provided during the year: | |
| Othora (Islat Operation) | 2500.00 |
| - Others (Joint Operation) | 2500.00 |

| B. Balance outstanding as at balance sheet date in respect of above cases: | |
|--|---------|
| - Subsidiary of Holding Company | 400.00 |
| -Others (Joint Operation) | 2500.00 |

- (b) The investments made, guarantee provided and the terms and conditions of the grant of all the above-mentioned loans during the year are, in our opinion, not prejudicial to the Company's interest.
- (c) In respect of loans granted by the Company, the schedule of repayment of principal and payment of interest has been stipulated and the repayments of principal amounts and receipts of interest are regular as per stipulation.
- (d) In respect of loans granted and advances in nature of loan as provided by the Company, there is no amount overdue for more than 90 days as at the balance sheet date.
- (e) No loan or advances in the nature of loan granted by the Company which has fallen due during the year, has been renewed or extended or fresh loans to settle the overdues of existing loans given to the same parties.
- (f) The Company has not granted any loans either repayable on demand or without specifying any terms or period of repayment during the year. Hence, reporting under clause (iii)(f) is not applicable.
- iv. In our opinion, the Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of loans granted and investment made as applicable.
- v. The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause (v) of the Order is not applicable.
- vi. The maintenance of cost records has not been specified for the activities of the company by the Central Government under section 148(1) of the Companies Act, 2013.
- vii. In respect of statutory dues:
 - (a) Undisputed statutory dues of the year, including Goods and Service Tax, Provident Fund, Employees' State Insurance, Income-tax and other material statutory dues applicable to it to the appropriate authorities have been regularly deposited by it with the appropriate authorities in all cases during the year.
 - There were no undisputed amounts payable in respect of Goods and Services Tax, Provident Fund, Employees' State Insurance, Income-tax, Cess and other material statutory dues in arrears as at 31 March 2024 for a period of more than six months from the date they became payable.
 - (b) Details of statutory dues referred to in sub-clause (a) above which have not been deposited as on March 31, 2024 on account of disputes are given below

| Name of statute | Nature of dues | Amount Unpaid* (₹) | Period to which the amount relates | Forum where dispute is pending |
|----------------------------|----------------|--------------------------|---|--------------------------------------|
| Income Tax Act, 1961 | Income tax | 23,30,248 | Assessment year 2017-18 | Commissioner of Income Tax (Appeals) |

^{*}Net of Rs. 5,82,562 paid under protest.

- viii. There were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 (43 of 1961) during the year.
- ix. (a) The Company has not defaulted in repayment of loans and other borrowings or in the payment of interest thereon to any lender during the year.
 - (b) The company has not been declared as a wilful defaulter by any bank or financial institution or government or any government authority.
 - (c) The company has not taken any term loan during the year and there are no un-utilized term loan at the beginning of the year, and hence reporting under clause (ix)(c) of the Order is not applicable.
 - (d) On an overall examination of the Standalone Financial Statements of the company, the funds raised on short term basis, prima facie, not been used during the year for long term purpose by the company.
 - (e) On an overall examination of the Standalone Financial Statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligation of its subsidiaries, associates or joint ventures.
 - (f) The company has not raised any loan during the year on the pledge of the securities held in its subsidiaries, joint ventures or associate companies.
- x. (a) The Company has not issued any of its securities (including debt instruments) during the year and hence reporting under clause (x)(a) of the Order is not applicable.
 - (b) The Company has made preferential allotment or private placement of shares during the year. For such allotment of shares, the Company has complied with the requirements of Section 42 and 62 of the Companies Act, 2013, and the funds raised have been, prima facie, applied by the Company during the year for the purposes for which the funds were raised, other than temporary deployment pending application. The Company has not made any preferential allotment or private placement of (fully or partly or optionally) convertible debentures during the year.
- xi. (a) To the best of our knowledge, No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.

- (b) To the best of our knowledge, nNo report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- (c) As represented to us by the Management, there were no whistle blower complaints received by the Company during the year.
- xii. The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- xiii. In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc. as required by the applicable accounting standards"
- xiv. (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
 - (b) We have considered, the internal audit reports issued to the Company during the year and covering the period upto February 2024 and the internal audit for the month of March 2024 will be covered in the next cycle falling due in the next Financial Year.
- xv. In our opinion during the year, the Company has not entered into any non-cash transactions with its Directors or Directors of the holding or subsidiary Company orpersons connected with them and hence provisions of section 192 of the Companies Act 2013 are not applicable.
- xvi. (a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause (xvi)(a), (b) and (c) of the Order is not applicable.
 - (b) In our Opinion the Group (the Company including its joint operation, its holding Company and its subsidiary companies) does not have any core investment Company (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) as part of the group and accordingly reporting under clause (xvi)(d) of the Order is not applicable.
- xvii. The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors of the Company during the year.
- xix. On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, (Asset Liability Maturity (ALM) pattern) other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exist as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to

the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) The Company has fully spent the required amount towards Corporate Social Responsibility (CSR) and there are no unspent CSR amount for the year requiring a transfer to a fund specified in Schedule VII to the Companies Act or special account in compliance with the provision of sub-section (6) of section 135 of the said Act. Accordingly, reporting under clause xx of the Order is not applicable for the year.

Notes to the Standalone Financial Statements

Background

Atul Finserv Ltd (the Company) is a limited company incorporated and domiciled in India. It is a wholly owned subsidiary company of Atul Ltd (Holding company). The Company is in the business of manufactures and sells chemicals, provides services and investment. The registered office of the Company is located at 309, Atul House, Veer Savarkar Marg, Dadar (West), Mumbai 400 028, Maharashtra and the principal places of manufacturing is located at Atul, Gujarat, India.

Note 1 Material accounting policies

This Note provides a list of the material accounting policies adopted by the Company in preparation of these Standalone Financial Statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

a) Statement of compliance:

The Standalone Financial Statements comply in all material respects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act, as amended.

b) Basis of preparation:

- i) Historical cost convention:
 - The Standalone Financial Statements have been prepared on a historical cost basis except for the following:
 - a) Certain financial assets and liabilities: measured at fair value
 - b) Defined benefit plans: plan assets measured at fair value
- ii) The accounting policies are applied consistently to all the periods presented in the Standalone Financial Statements. All assets and liabilities have been classified as current or non-current as per the normal operating cycle of the Company and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. Based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

iii) Joint operations:

The Company has invested in Anaven LLP a Joint Operation (JO) to ensure a participating interest in the production of this JO for its holding company. This joint operation is a joint arrangement where the parties have joint control of the arrangement and have rights to the asset and obligations to the liabilities, relating to the arrangement. As per Ind AS 111 - Joint arrangements, the Company being a joint operator has recognised its share of the assets, liabilities, income and expenses of these joint operations incurred jointly with the other partner, along with its share of income from the sale of the output and any assets, liabilities and expenses that it has incurred in relation to the joint operation in its separate Standalone Financial Statements.

Although not required by Ind AS, the Company has provided in Note 26.10 additional information of Atul Finserv Ltd on a standalone basis excluding its interest in its joint operations viz. Anaven LLP.

- iv) The Standalone Financial Statements have been prepared on accrual and going concern basis.
- v) Recent accounting pronouncements:

Ministry of Corporate Affairs (MCA) notifies new standards or amendments to the existing standards. There is no such notification which would have been applicable from April 01, 2024.

Notes to the Standalone Financial Statements

c) Investments and other financial assets:

Classification and measurement:

The Company classifies its financial assets in the following measurement categories:

- Those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss)
- ii) Those measured at amortised cost
- iii) those measured at carrying cost for equity instruments of subsidiary companies and joint venture company

The classification depends on business model of the Company for managing financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

Debt instruments:

Initial recognition and measurement:

Financial asset is recognised when the Company becomes a party to the contractual provisions of the instrument. Financial asset is recognised initially at fair value plus, in the case of financial asset not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Transaction costs of financial asset carried at fair value through profit or loss are expensed in the Standalone Statement of Profit and Loss.

Subsequent measurement:

Subsequent measurement of debt instruments depends on the business model of the Company for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments:

Measured at amortised cost:

Financial assets that are held within a business model whose objective is to hold financial assets in order to collect contractual cash flows that are solely payments of principal and interest, are subsequently measured at amortised cost using the EIR method less impairment, if any, the amortisation of EIR and loss arising from impairment, if any is recognised in the Standalone Statement of Profit and Loss.

Measured at fair value through other comprehensive income (FVTOCI):

Financial assets that are held within a business model whose objective is achieved by both, selling financial assets and collecting contractual cash flows that are solely payments of principal and interest, are subsequently measured at fair value through other comprehensive income. Fair value movements are recognised in the OCI. Interest income measured using the EIR method and impairment losses, if any are recognised in the Standalone Statement of Profit and Loss. On derecognition, cumulative gain | (loss) previously recognised in OCI is reclassified from the equity to other income in the Standalone Statement of Profit and Loss.

Measured at fair value through profit or loss (FVTPL):

A financial asset not classified as either amortised cost or FVTOCI, is classified as FVTPL. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognised as other income in the Standalone Statement of Profit and Loss.

Equity instruments:

The Company subsequently measures all investments in equity instruments other than subsidiary companies, associate company and joint venture company at fair value. The Management of the Company has elected to present fair value gains and losses on such equity investments in other comprehensive income, and there is no subsequent reclassification of these fair value gains and losses to the Statement of Profit and Loss. Dividends from such investments continue to be recognised in profit or loss as other income when the right to receive payment is established.

Changes in the fair value of financial assets at fair value through profit or loss are recognised in the Standalone Statement of Profit and Loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVTOCI are not reported separately from other changes in fair value.

Notes to the Standalone Financial Statements

Investments in subsidiary companies, associate companies and joint venture company:

Investments in subsidiary companies, associate companies and joint venture company are carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. On disposal of investments in subsidiary companies, associate companies and joint venture company, the difference between net disposal proceeds and the carrying amounts are recognised in the Statement of Profit and Loss.

Impairment of financial assets:

The Company assesses on a forward looking basis the expected credit losses associated with its financial assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivable only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of such receivables.

Derecognition:

A financial asset is derecognised only when the Company has transferred the rights to receive cash flows from the financial asset, the asset expire or retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the Company has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised through Standalne Statement of Profit and Loss or other comprehensive income as applicable. Where the Company has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the Company has neither transferred a financial asset nor retained substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

Financial liabilities:

- i) Classification as debt or equity:
 - Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.
- ii) Initial recognition and measurement:
 - Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the fair value.
- iii) Subsequent measurement:
 - Financial liabilities are subsequently measured at amortised cost using the effective interest rate method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Standalone Statement of Profit and Loss.
- iv) Derecognition:
 - A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expires.

d) Property, plant and equipment:

Items of property, plant and equipment are stated at acquisition cost net of accumulated depreciation and accumulated impairment losses, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the carrying amount of asset or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance expenses are charged to the Statement of Profit and Loss during the period in which they are incurred.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of an item of property, plant and equipment is determined as the difference between the net disposal proceeds and the carrying amount of the asset and is recognised in the Standalone Statment of Profit and Loss.

Notes to the Standalone Financial Statements

Depreciation methods, estimated useful lives and residual value:

The charge in respect of periodic depreciation is derived after determining an estimate of expected useful life and the expected residual value at the end of its life of the assets. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life.

Depreciation is computed on a pro-rata basis using the straight-line method from the month of acquisition | installation until the last completed month before the assets are sold or disposed off.

Estimated useful lives of assets are as follows:

| Asset category | Estimated useful life |
|----------------------------------|-----------------------|
| Buildings | 30 to 60 years |
| Plant and equipment ¹ | 3 to 20 years |
| Roads | 5 years |
| Office equipment and furniture | 3 to 10 years |
| Computer and hardware | 3 to 10 years |
| Vehicles | 6 to 10 years |

¹The useful lives have been determined based on technical evaluation done by the Management experts which are different from the useful life prescribed in Part C of Schedule II to the Act, in order to reflect the actual usage of the assets. The residual values are not more than 5% of the original cost of the asset. The residual values, useful lives and method of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

The carrying amount of an asset is written down immediately to its recoverable amount if the carrying amount of the asset is greater than its estimated recoverable amount.

Land accounted under finance lease is amortised on a straight-line basis over the primary period of lease.

e) Capital work-in-progress

The cost of property, plant and equipment under construction at the reporting date is disclosed as 'Capital work-in-progress.' The cost comprises purchase price, borrowing cost if capitalisation criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price. Advances paid for the acquisition | construction of property, plant and equipment which are outstanding at the Balance Sheet date are classified under the capital advances.

f) Intangible assets

Computer software includes enterprise resource planning application and other costs relating to such software that provide significant future economic benefits. These costs comprise license fees and cost of system integration services.

Technical know- how expenditure qualifying as an intangible asset, is amortised over an economic life of the plant using the straight-line method.

Computer software cost is amortised over a period of three years using the straight-line method.

g) Impairment

The carrying amount of assets other than the land are reviewed at each Standalone Balance Sheet date to assess if there is any indication of impairment based on internal | external factors. An impairment loss on such assessment is recognised wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount of the assets is net selling price or value in use, whichever is higher. While assessing value in use, the estimated future cash flows are discounted to the present value by using weighted average cost of capital. A previously recognised impairment loss is further provided or reversed depending on changes in the circumstances and to the extent that carrying amount of the assets does not exceed the carrying amount that will be determined if no impairment loss had previously been recognised.

h) Cash and cash equivalents:

Cash and cash equivalents include cash in hand, demand deposits with bank and other short-term (3 months or less from the date of acquisition), highly liquid investments that are readily convertible into cash and which are subject to an insignificant risk of changes in value.

Notes to the Standalone Financial Statements

i) Statement of cash flows

Cash and cash equivalents include cash in hand, demand deposits with bank and other short-term (3 months or less from the date of acquisition), highly liquid investments that are readily convertible into cash and which are subject to an insignificant risk of changes in value.

j) Revenue recognition:

i) Revenue from contracts with customers:

The Company manufactures and sells chemicals, provides services in domestic markets, spread across two segments namely i) Performance and Other Chemicals and ii) Investing activity and Business Auxiliary Services.

Revenue is recognised when control of goods is transferred to a customer in accordance with the terms of the contract. The control of the goods is transferred upon delivery to the customers either at factory gate of the Company or specific location of the customer or when the goods are handed over to the freight carrier, as per the terms of the contract. A receivable is recognised by the Company when the goods are delivered to the customer as this represents the point in time at which the right to consideration becomes unconditional, as only the passage of time is required before payment is due.

Revenue from services is recognised upon completion of services in accordance with the terms of the contract.

Revenue is measured based on the consideration to which the Company expects to be entitled as per contract with a customer. The consideration is determined based on the transaction price specified in the contract, net of the estimated variable consideration. Accumulated experience is used to estimate and provide for the variable consideration, using the expected value method, and revenue is only recognised to the extent that it is highly probable that a significant reversal will not occur. Contracts with customers are for short-term, at an agreed price basis having contracted credit period ranging up to 30 days. Revenue excludes any taxes or duties collected on behalf of the government which are levied on sales such as goods and services tax.

ii) Other revenue:

Interest income from financial assets is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options), but does not consider the expected credit losses.

Dividends are recognised in the Standalone Statement of Profit and Loss only when the right to receive payment is established; it is probable that the economic benefits associated with the dividend will flow to the Company and the amount of the dividend can be measured reliably.

k) Employee benefits:

i) Defined benefit plan:

Gratuity:

Gratuity liability is a defined benefit obligation and is computed on the basis of an actuarial valuation by an actuary appointed for the purpose as per projected unit credit method at the end of each financial year. The liability or asset recognised in the Standalone Balance Sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The liability so provided is paid to a trust administered by the Company, which in turn invests in eligible securities to meet the liability as and when it becomes due for payment in future. Any shortfall in the value of assets over the defined benefit obligation is recognised as a liability with a corresponding charge to the Standalone Statement of Profit and Loss.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows with reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate at the beginning of the period to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Standalone Statement of Profit and Loss.

Notes to the Standalone Financial Statements

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur directly in other comprehensive income. They are included in retained earnings in the Statement of changes in equity and in the Standalone Balance Sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

ii) Defined contribution plan:

Contributions to defined contribution schemes such as contribution to provident fund, superannuation fund, employees' state insurance corporation, national pension scheme and labours welfare fund are charged as an expense to the Standalone Statement of Profit and Loss based on the amount of contribution required to be made as and when services are rendered by the employees. The above benefits are classified as defined contribution schemes as the Company has no further defined obligations beyond the monthly contributions.

iii) Short-term employee benefits:

All employee benefits payable within 12 months of service such as salaries, wages, bonus, ex-gratia, medical benefits etc. are recognised in the year in which the employees render the related service and are presented as current employee benefit obligations. Termination benefits are recognised as an expense as and when incurred.

Short-term employee benefits are provided at undiscounted amount during the reporting period based on service rendered by employees. Compensation payable under voluntary retirement scheme is being charged to the Standalone Statement of Profit and Loss in the year of settlement.

iv) Other long-term employee benefits:

The liabilities for earned leave and sick leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in profit or loss.

I) Foreign currency transactions:

i) Functional and presentation currency:

Items included in the Standalone Financial Statements of the Company are measured using the currency of the primary economic environment in which the Company operates ('functional currency'). The Standalone Financial Statements of the Company are presented in Indian currency (₹), which is also the functional currency of the Company.

ii) Transactions and balances:

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gain | (loss) resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in the Standalone Statement of Profit and Loss except that they are deferred in other equity if they relate to qualifying cash flow hedges. Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the Standalone Statement of Profit and Loss, within finance costs. All other foreign exchange gain | (loss) presented in the Standalone Statement of Profit and Loss are on a net basis within other income | (expense).

Non-monetary items that are measured at fair value that are denominated in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain | (loss). Non-monetary items that are measured in terms of historical cost in a foreign currency are not revalued.

Notes to the Standalone Financial Statements

m) Provisions and contingent liabilities:

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. These are reviewed at each year end and reflect the best current estimate. Provisions are not recognised for future operating losses.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

Provisions are measured at the present value of best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

n) Income tax:

Income tax expense comprises current tax and deferred tax. Current tax is the tax payable on the taxable income of the current period based on the applicable income tax rates. Deferred tax reflects changes in deferred tax assets and liabilities attributable to temporary differences and unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. The Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred income tax is provided in full, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts. However, deferred tax liabilities are not recognised if they arise from the initial recognition of goodwill. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit | (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantively enacted by the Balance Sheet date and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the Company has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

The Company considered whether it has any uncertain tax positions based on past experience pertaining to income taxes including those related to transfer pricing. The Company has determined its tax position based on tax compliance and present judicial pronouncements and accordingly expects that its tax treatments will be accepted by the taxation authorities.

The Company determines whether to consider each uncertain tax treatment separately or together with one or more other uncertain tax treatments and uses the approach that better predicts the resolution of the uncertainty. The Company applies significant judgement in identifying uncertainties over income tax treatments.

Notes to the Standalone Financial Statements

o) Leases:

As a lessee:

The Company assesses whether a contract is, or contains a lease, at inception of the contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: i) the contract involves the use of an identified asset ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and iii) the Company has the right to direct the use of the asset.

At the commencement date of the lease, the Company recognises a right-of-use asset and a corresponding lease liability for all lease arrangements in which it is lessee, except for short-term leases (leases with a term of twelve months or less), leases of low value assets and, for contract where the lessee and lessor has right to terminate a lease without permission from the other party with no more than an insignificant penalty. The lease expense of such short-term leases, low value assets leases and cancellable leases, are recognised as an operating expense on a straight-line basis over the term of the lease.

At the commencement date, lease liability is measure at the present value of the lease payments to be paid during non-cancellable period of the contract, discounted using the incremental borrowing rate. The right-of-use asset is initially recognised at the amount of the initial measurement of the corresponding lease liability, lease payments made at or before commencement date less any lease incentives received and any initial direct costs.

Subsequently the right-of-use asset is measured at cost less accumulated depreciation and any impairment losses. Lease liability is subsequently measured by increasing the carrying amount to reflect interest on the lease liability (using effective interest rate method) and reducing the carrying amount to reflect the lease payments made. The right-of-use asset and lease liability are also adjusted to reflect any lease modifications or revised in-substance fixed lease payments.

p) Earnings per share:

Earnings per share (EPS) is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted EPS, the net profit for the period attributable to equity shareholders and the weighted average number of equity shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

a) Trade receivables:

Trade Receivables are recognised at the amount of transaction price (net of variable consideration) when the right to consideration becomes unconditional. These assets are held at amortised cost, using the effective interest rate (EIR) method where applicable, less provision for impairment based on expected credit loss.

r) Trade and other payables:

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months from the reporting date. They are recognised initially at their fair value and subsequently measured at amortised cost using the EIR method.

s) Inventories:

Inventories are stated at cost or net realisable value whichever is lower. Cost is determined on moving weighted average basis.

Net realisable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to effect the sale.

Cost comprises all costs of purchase, costs of conversion and other costs incurred in bringing the inventory to the present location and condition. Cost includes the reclassification from equity of any gains or losses on qualifying cash flow hedges relating to purchases of raw material but excludes borrowing costs.

Due allowances are made for slow | non-moving, defective and obsolete inventories based on estimates made by the Company.

Items such as spare parts, stand-by equipment and servicing equipment which are not plant and machinery get classified as inventory.

Notes to the Standalone Financial Statements

t) Offsetting financial instruments:

Financial assets and liabilities are offset and the net amount is reported in the Standalone Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the assets and settle the liabilities simultaneously.

u) Borrowings:

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs.

Borrowings are removed from the Standalone Balance Sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss as other income | (expense).

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period.

v) Borrowing costs:

Borrowing costs include interest, amortisation of ancillary costs incurred accounted as an adjustment to the interest cost. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction | development of the qualifying asset up to the date of capitalisation of such asset are added to the cost of the assets. Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

Critical estimates and judgements

Preparation of the Standalone Financial Statements require use of accounting estimates, judgements and assumptions, which, by definition, will seldom equal the actual results. Appropriate changes in estimates are made as the Management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the Standalone Financial Statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the Standalone Financial Statements. This note provides an overview of the areas that involved a higher degree of judgements or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the Standalone Financial Statements.

The areas involving critical estimates or judgements in applying accounting policies are:

- i) Estimation of useful life of tangible assets: Note 1 (c)
- ii) Estimation for income tax: Note 1 (j)
- iii) Estimation of defined benefit obligation: Note 1 (g)
- iv) Fair value measurements: Note 26.11
- v) Estimation of provision for inventories: Note 1 (o)

| | Number of shares ₹ lakhs | | Number of shares | ₹ lakhs | |
| Authorised | | | | | |
| Equity shares of ₹ 100 each | 62,00,000 | 6,200.00 | 54,00,000 | 5,400.00 | |
| | | 6,200.00 | | 5,400.00 | |
| Issued, subscribed and paid up | | | | | |
| Equity shares originally of ₹ 100 each, reduced to ₹ 7 each per share fully paid | 5,00,000 | 35.00 | 5,00,000 | 35.00 | |
| Equity shares of ₹ 100 each | 48,35,249 | 4,835.25 | 46,09,600 | 4,609.60 | |
| | | 4,870.25 | | 4,644.60 | |

During the year ended on March 31, 2024, the authorised share capital was increased by 8,00,000 number of equity shares of $\ref{100}$ each.

- a) Pursuant to Section 100 of the Companies Act, 1956, the capital reduction scheme sanctioned by the High Court of Mumbai dated June 6, 2002, the issued and paid up share capital of the Company was reduced from ₹ 5,00,00,000 divided into 5,00,000 equity shares of ₹ 100 each to ₹ 35,00,000 divided into 5,00,000 equity shares of ₹ 7 each.
- b) Rights, preferences and restrictions:

The Company has one class of equity shares. Each shareholder is eligible for one vote per share held. The dividend proposed by the Board is subject to the approval of the shareholders in the ensuing Annual General Meeting, except in case of interim dividend. In the event of liquidation of the Company, the holders of equity shares will be entitled to receive any of the remaining assets of the Company, after distribution of all preferential amounts, if any. The distribution will be in proportion to the number of equity shares held by the shareholders.

c) Reconciliation of the number of shares outstanding and the amount of equity share capital:

| Particulars | Number of shares | Equity share capital |
|------------------------------|------------------|----------------------|

Refer Standalone Statement of changes in equity for detailed movement in other equity balance.

Nature and purpose of reserves

- a) Securities premium
 - Securities premium is used to record the premium on issue of shares. The reserve is utilised in accordance with the provisions of the Companies Act, 2013.
- b) General reserve
 - General reserve represents amount appropriated out of retained earnings pursuant to the earlier provisions of Companies Act, 1956. Mandatory transfer to general reserve is not required under the Companies Act, 2013.
- c) Retained earnings
 - Retained earnings are the profits that the Company has earned till date, less, any transfers to general reserve, any transfers from or to other comprehensive income, dividends or other distributions paid to shareholders.
- d) FVTOCI equity investments
 - The Company has elected to recognise changes in the fair value of certain investments in equity securities to other comprehensive income. These changes are accumulated within the FVTOCI equity investments reserve within equity. The Company transfers amounts from this reserve to retained earnings when the relevant equity securities are derecognised.

| Provision for compensated absences | 14.90 | | 14.66 | 2.41 |
| | 14.90 | 3.15 | 14.66 | 2.41 |

Information about individual provisions and significant estimates

The Compensated absences covers the liability for sick and earned leave. Out of the total amount disclosed above, the amount of ₹ 3.15 lakhs (March 31, 2023: ₹ 2.41 lakhs) is presented as current since the Company does not have an unconditional right to defer settlement for any of these obligations. However, based on past experience, the Company does not expect all employees to take the full amount of accrued leave or require payment within the next 12 months.

| As at March 31, 2023 | 28.04 | (24.59) | 3.45 |
| Current service cost | 3.55 | - | 3.55 |
| Interest expense (income) | 2.05 | (1.78) | 0.27 |
| Total amount recognised in profit and loss | 5.60 | (1.78) | 3.82 |
| Remeasurement | | | |
| Return on plan assets, excluding amount included in interest expense | | 0.95 | 0.95 |
| (Gain) Loss from change in financial assumptions | 0.77 | | 0.77 |
| (Gain) Loss from change in demographic assumptions | (0.29) | - | (0.29) |
| Experience (gain) loss | (0.23) | - | (0.23) |
| Total amount recognised in other comprehensive income | 0.25 | 0.95 | 1.19 |
| Employer contributions | | (2.88) | (2.88) |
| Benefit payments | (0.96) | 0.96 | - |
| Liability transferred (out) in | (1.32) | 1.32 | - |
| As at March 31, 2024 | 31.61 | (26.03) | 5.58 |

The net liability disclosed above relates to following funded and unfunded plans:

(₹ lakhs)

| Particulars | As at | As at | | |
|-------------------------------------|----------------|----------------|--|--|
| | March 31, 2024 | March 31, 2023 | | |
| Present value of funded obligations | 31.61 | 28.04 | | |
| Fair value of plan assets | (26.03) | (24.59) | | |
| Deficit of gratuity plan | 5.58 | 3.45 | | |

Significant estimates: Actuarial assumptions and sensitivity

| The significant actuarial assumptions were as follows: | | |
|--|----------------|----------------|
| Particulars | As at | As at |
| | March 31, 2024 | March 31, 2023 |
| Discount rate | 7.17% 7.19% | 7.30% 7.35% |
| Attrition rate | 14.00% | 13.00% |
| Rate of return on plan assets | 7.17% 7.19% | 7.30% 7.35% |
| Salary escalation rate | 10.36% | 9.84% |

Sensitivity analysis

ity of the defined benefit obligation to changes in the weighted principal assumptions is:

| Particulars | Change in a | ssumptions | Impact on defined benefit obligation | | | |
|------------------------|-------------|-------------------------|--------------------------------------|-------------|-------------------------|-----------|
| | | Increase in assumptions | | assumptions | Decrease in assumptions | |
| | As at | As at | As at | As at | As at | As at |
| | March 31, | March 31, | March 31, | March 31, | March 31, | March 31, |
| | 2024 | 2023 | 2024 | 2023 | 2024 | 2023 |
| Discount rate | 1.00% | 1.00% | (3.69%) | (4.13%) | 4.10% | 4.60% |
| Attrition rate | 1.00% | 1.00% | (1.01%) | (0.96%) | 1.09% | 1.03% |
| Salary escalation rate | 1.00% | 1.00% | 3.83% | 4.35% | (3.55%) | (4.04%) |

The above sensitivity analyses are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the Balance Sheet.

The methods and types of assumptions used in preparing the sensitivity analysis did not change as compared to the prior year.

Major category of plan assets are as follows:

| | | (|
|----------------|----------------|----------------|
| Particulars | March 31, 2024 | March 31, 2023 |
| Insurance fund | 25.78 | 24.34 |

Notes to the Standalone Financial Statements

Note 26.11 Employee benefit obligations (continued)

The weighted average duration of the defined benefit obligation is three years. The expected maturity analysis of gratuity is as follows:

(₹ lakhs)

| Particulars | Less than a | Between 1 - 2 | Between 2 - 5 | Over 5 years | Total |
|---------------------------------------|-------------|---------------|---------------|--------------|-------|
| | year | years | years | | |
| Defined benefit obligation (gratuity) | | | | | |
| As at March 31, 2024 | 6.16 | 9.24 | 9.10 | 21.16 | 45.66 |
| As at March 31, 2023 | 2.82 | 5.66 | 11.42 | 22.72 | 42.62 |

Defined contribution plans:

Provident and other funds:

Amount of ₹13.29 lakhs (March 31, 2023: ₹11.63 lakhs) is recognised as expense and included in the Note 22 'Contribution to Provident and other funds'

Compensated absences:

Amount of ₹ 2.33 lakhs (March 31, 2023: ₹ 3.9 lakhs) is recognised as expense and included in the Note 22 'Salaries, wages and bonus'.

¹Excludes investments (in equity shares) in subsidiaries and associates which are carried at cost and hence are not required to be disclosed as per Ind AS 107 'Financial Instruments Disclosures'.

Fair value hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the Standalone Financial Statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

| Assets and liabilities measured at fair value - recurring | Note | Level 1 | Level 2 | Level 3 | Total |
|---|------|---------|---------|---------|--------|
| fair value measurements as at March 31, 2024 | | | | | |
| Financial assets | | | | | |
| Financial Investments at FVTPL | | | | | |

| Total financial assets | | 176.74 | 160.94 | - | 337.68 |

Notes to the Standalone Financial Statements

(₹ lakhs

| Assets and liabilities measured at fair value - recurring | Note | Level 1 | Level 2 | Level 3 | Total |
|---|------|---------|---------|---------|--------|
| fair value measurements as at March 31, 2023 | | | | | |
| Financial assets | | | | | |
| Financial Investments at FVTPL | | | | | |
| Mutual funds | 3.3 | | 498.04 | - | 498.04 |
| Financial Investments at FVTOCI | | | | | |
| Quoted equity instruments | 3.2 | 104.31 | - | - | 104.31 |
| Total financial assets | | 104.31 | 498.04 | - | 602.35 |

There were no transfers between any levels during the year.

Level 1: Hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments that have a quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period.

Level 2: This includes mutual funds which are valued using the closing NAV.

(ii) Fair value of financial assets and liabilities measured at amortised cost

The carrying amounts of trade receivables, trade payables, bills receivables, advances receivable in cash, cash and cash equivalents are considered to be the same as their fair values.

For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

Note 26.13 Financial risk management

Treasury function of the Company provides services to the business, co-ordinates access to domestic and international financial markets, monitors and manages the financial risks relating to the operations of the Company through internal risk reports which analyse exposures by degree and magnitude of risks. These risks include market risk, credit risk and liquidity risk.

a) Management of liquidity risk

Liquidity risk is the risk that the Company will face in meeting its obligations associated with its financial liabilities. The approach of the Company to manage liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses. In doing this, Management considers both normal and stressed conditions. A material and sustained shortfall in our cash flow could manage from borrowing and equity infusion by Holding Company.

The following table shows the maturity analysis of financial liabilities of the Company based on contractually agreed undiscounted cash flows as at the Balance Sheet date:

(₹ lakhs)

| As at March 31, 2024 | Note | Committee a superiore | Less than | More than | Total |
|---|-------|-----------------------|-----------|-----------|----------|
| | | Carrying amount | 12 months | 12 months | |

| Security deposits | 14 | 16.75 | 16.75 | - | 16.75 |
| Interest accrued but not due on term loan | 14 | 204.07 | 204.07 | - | 204.07 |
| Lease liabilities | 26.16 | 714.16 | 105.58 | 608.58 | 714.16 |
| Creditors for capital goods | 14 | 118.87 | 118.87 | - | 118.87 |

b) Management of market risk

The size and operations of the Company result in it being exposed to the following market risks that arise from its use of financial instruments:

- i) price risl
- ii) foreian exchange risk

The above risks may affect income and expenses, or the value of its financial instruments of the Company. The objective of the Management of the Company for market risk is to maintain this risk within acceptable parameters, while optimising returns. The Company exposure to, and Management of, these risks is explained below:

| Potential impact of risk Management policy | | Sensitivity to risk |
|---|---|--|
| i) Price risk | | |
| The Company is mainly exposed to the | In order to manage its price risk arising from | As an estimation of the approximate impact of price risk, |

Foreign currency risk exposure:

The exposure to foreign currency risk of the Company at the end of the reporting period expressed are as follows:

| Particulars | As at March 31, 2024 | | | |
|--|----------------------|-----------|---------|-----------|
| | (\$) | (₹ lakhs) | (€) | (₹ lakhs) |
| Financial assets | | | | |
| Trade receivables | | | | |
| Financial liabilities | | | | |
| Trade paybales | 7,815 | 6.52 | 8,659 | 7.79 |
| Net exposure to foreign currency risk assets (liabilities) | (7,815) | (6.52) | (8,659) | (7.79) |

| Particulars | As at March 31, 2023 | | | |
|--|----------------------|--------|-----------|---------|
| | (\$) (₹ lakhs) (€) | | (₹ lakhs) | |
| Financial assets | | | | |
| Trade receivables | 1,72,029 | 139.84 | - | - |
| Financial liabilities | | | | |
| Creditors for capital goods | 57,093 | 46.47 | 37,688 | 32.69 |
| Net exposure to foreign currency risk assets (liabilities) | 1,14,936 | 93.37 | (37,688) | (32.69) |

c) Credit risk management

Credit risk refers to risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. Credit risk arises primarily from financial assets such as trade receivables, investment in mutual funds, other balances with banks, loans and other receivables.

The Company has adopted a policy of only dealing with counterparties that have sufficiently high credit rating. Exposure of the Company and credit ratings of its counterparties are continuously monitored and the aggregate value of transactions is reasonably spread amongst the counterparties. Credit risk arising from investment in mutual funds and other balances with banks is limited and there is no collateral held against these because the counterparties are banks and recognised financial institutions with high credit ratings.

Notes to the Standalone Financial Statements

D) Interest rate risk management

The Company draws term loan, avails cash credit for meeting its funding requirements. Interest rates on these borrowings are exposed to change in respective benchmark rates. The Company manages the interest rate risk by maintaining appropriate mix | portfolio of the borrowings.

Note 26.14 Capital management

The primary objective of capital management of the Company is to maximise shareholder value. The Company monitors capital using debt-equity ratio which is total debt divided by total equity.

For the purpose of capital management, the Company considers the following components of its Balance Sheet to manage capital:

Total equity includes general reserve, retained earnings, share capital, security premium. Total debt includes current debt plus non-current debt.

(₹ lakhs)

| Particulars | As at March 31, 2024 | As at March 31, 2023 |
|-------------------|----------------------|----------------------|
| Total debt | 5,701.27 | 5,397.50 |
| Total equity | 13,125.72 | 14,159.31 |
| Debt-Equity ratio | 0.43 | 0.38 |

Note 26.15 Loans

Disclosures pursuant to the Section 186 (4) of the Companies Act, 2013.

(₹ lakhs)

| Particulars | Purpose | Amount outstanding as at March 31, 2024 March 31, 2023 | | Maximum balance | |
|--|----------------------------|---|--------|-----------------|---------|
| | | | | 2023-24 | 2022-23 |

Note 26.22 Audit trail

As per the requirements of Rule 3(1) of the Companies (Accounts) Rules 2014, the Company uses only such accounting software for maintaining its books of account that have a feature of, recording audit trail of each and every transaction creating an edit log of each change made in the books of account along with the date when such changes were made and who made those changes within such accounting software. This feature of recording audit trail has operated throughout the year and was not tampered with during the year.

In respect of aforesaid accounting software, after thorough testing and validation, audit trail was not enabled for direct data changes at database level in view of the possible impact on the efficiency of the system. In respect of audit trail at database level, the Company has established and maintained an adequate internal control framework over its financial reporting and based on its assessment, has concluded that the internal controls for the year ended March 31, 2024 were effective. The Company is in the process of system upgradation to meet the database level audit trail requirement.
