# INDEPENDENT AUDITOR'S REPORT To the Members of Raja Dates Limited Report on the Audit of the Standalone Ind AS Financial Statements

## Opinion

1. We have audited the accompanying Standalone Ind AS financial statements of Raja Date Limited ("the Company"), which comprise the Balance sheet as at March 31, 2020, and the Statement of Profit and Loss (including Other Comprehensive Income), Statement of changes in equity and Statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, and loss, changes in equity and its cash flows for the year ended on that date.

## **Basis for Opinion**

2. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone Ind AS financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## Management's Responsibility for the Standalone Ind AS Financial Statements

3. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate Accounting Policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and

prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Ind AS financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

4 In preparing the Standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting. Board of Directors is also responsible for overseeing the Company's financial reporting process

## Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements

5 Our objectives are to obtain reasonable assurance about whether the Standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Ind AS financial statements.

## Report on Other Legal and Regulatory Requirements

- 6 As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure B a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 7 As required by Section 143(3) of the Act, we report that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid Standalone Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on March 31, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".

- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Company has no pending litigations on March 31, 2020;
  - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

Referred to in paragraph 7(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date.

## Report on the Internal Financial Controls over financial reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (the Act)

1. We have audited the Internal Financial Controls over financial reporting of Raja Date Ltd (the Company) as of March 31, 2020 in conjunction with our audit of the Standalone Ind AS Financial Statements of the Company for the year ended on that date.

## Management's responsibility for Internal Financial Controls

2. The Management of the Company is responsible for establishing and maintaining Internal Financial Controls based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over financial reporting (the Guidance Note) issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate Internal Financial Controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the policies of the Company, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

## Auditor's responsibility

- 3. Our responsibility is to express an opinion on the Internal Financial Controls of the Company over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of Internal Financial Controls. These Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate Internal Financial Controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
- 4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the Internal Financial Controls system over financial reporting and their operating effectiveness. Our audit of Internal Financial Controls over financial reporting included obtaining an understanding of Internal Financial Controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the Auditor's judgement, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.
- 5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Internal Financial Controls system over financial reporting of the Company.

## Meaning of Internal Financial Controls over financial reporting

6. The Internal Financial Control over financial reporting of a company is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with Generally Accepted Accounting Principles. Internal Financial Control over financial reporting of a Company includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with Generally Accepted Accounting Principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of Management and Directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the assets of the Company that could have a material effect on the Financial Statements.

## Inherent limitations of Internal Financial Controls over financial reporting

7. Because of the inherent limitations of Internal Financial Controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal Financial Controls over financial reporting to future periods are subject to the risk that the Internal Financial Control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## Opinion

8. In our opinion, to the best of our information and according to the explanations given to us the Company has, in all material respects, an adequate Internal Financial Controls system over financial reporting and such Internal Financial Controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the Institute of Chartered Accountants of India.

## Raja Dates Limited

## **Notes** to the Financial Statements

#### Backgroun

Raja Dates Limited (the 'Company') is a limited company incorporated and domiciled in India. It is a wholly own subsidiary company of Atul Ltd (Holding company). The Company is engaged in the business of Farming of tissue culture date palm plants. The registered office of the Company is located at Sen Sadan, Buddh Nagar, Tilwaria, Chopasani Road, Jodhpur, Rajasthan - 342008.

## Note 1 Significant Accounting Policies

#### 1 Basis of preparation:

The Financial Statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

All the assets and liabilities have been classified as current or non-current as per the normal operating cycle of the Company and other criteria set out in Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

#### 2 Revenue recognition:

#### a) Sale of goods & services:

Revenues are recognized at a point in time when control of the goods passes to the buyer, usually upon delivery of the goods to customers or freight carrier as per the terms of contract.

#### b) Revenue from services:

Revenue is recognised in the accounting period in which the services are rendered.

Revenue is measured at the amount of consideration which the Company expects to receive or receivable. Variable consideration like discounts given include rebates, price reductions and other incentives offered to customers are factored in the transaction price if it is highly probable that a significant reversal of revenue will not occur once associated uncertainties are resolved. Revenue exclude any taxes or duties collected on behalf of the Government

which are levied on sales such as goods and services tax. Accumulated experience is used to estimate and provide for the discounts and returns.

#### 3 Income taxes

The income tax expense or credit for the period is the tax payable on the taxable income of the current period based on the applicable income tax rates adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. The Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Minimum Alternate Tax ('MAT') under the provisions of the Income Tax Act, 1961 is recognised as current tax in the Statement of Profit and Loss. The credit available under the Act in respect of MAT paid will be recognised as deferred tax asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the period for which the MAT credit can be carried forward for set off against the normal tax liability. Such an asset is reviewed at each Balance Sheet date .

Deferred income tax is provided in full, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts. However, deferred tax liabilities are not recognised if they arise from the initial recognition of Goodwill. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit | (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantively enacted by the Balance Sheet date and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the Company has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

#### 4 Cash and cash equivalents:

In the Cash Flow Statement, cash and cash equivalents include cash on hand, demand deposits with banks, other short-term highly liquid investments with original maturities of three months or less.

#### 5 Earnings per share:

Earnings per share (EPS) is calculated by dividing the net profit or loss for the period attributable to Equity Shareholders by the weighted average number of Equity shares outstanding during the period. Earnings considered in ascertaining the EPS is the net profit for the period and any attributable tax thereto for the period.

#### 6 Provisions, Contingent Liabilities and Contingent Assets:

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. These are reviewed at each year end and reflect the best current estimate. Provisions are not recognised for future operating losses.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

Provisions are measured at the present value of best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

#### 7 Biological assets other then bearer plants:

The Date palm trees are bearer plants and are therefore presented and accounted for as property, plant and equipment. However, the Date palm Fresh Fruit Bunches (FFB) growing on the trees are accounted for as biological assets until the point of harvest. Harvested Date palm FFBs are transferred to inventory at fair value less costs to sell when harvested.

Biological assets are measured at fair value less cost to sell. Costs to sell include the incremental selling costs, including auction charges, commission paid to brokers and dealers and estimated costs of transport to the market but excludes finance costs and income taxes.

Changes in fair value of Date palm FFB on trees are recognised in the Statement of Profit and Loss.

#### 8 Property, plant and equipment:

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at acquisition cost net of accumulated depreciation and accumulated impairment losses, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Acquisition cost may also include transfers from equity of any gains or losses on qualifying cash flow hedges of foreign currency purchases of property, plant and equipment.

Subsequent costs are included in the carrying amount of asset or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance expenses are charged to the Statement of Profit and Loss during the period in which they are incurred. Gains or losses arising on retirement or disposal of assets are recognised in the Statement of Profit and Loss.

Fruit bearing plants qualify as bearer plants under Ind AS 16. Expenditure incurred on cultivation of plantations up to the date they become capable of bearing fruit are accumulated under Bearer plant under development (Immature) and then capitalised as a Bearer plant (Mature) to be amortised | depreciated over their estimated useful life.

The plantation destroyed due to calamity, disease or any other reasons whether capitalised as Bearer plant (Mature) or being carried under Bearer plant under development (Immature) are charged off to the Statement of Profit and Loss.

Depreciation methods, estimated useful lives and residual value:

Depreciation is provided on the straight-line method to allocate the cost of assets, net of their residual values, over their estimated useful lives.

Asset category	Estimated useful life
Buildings	60 years
Plant and equipment <sup>1</sup>	15 years
Borewell	5 years
Electrical Installation	15 years
Bearer plants <sup>1</sup>	40 years

<sup>&</sup>lt;sup>1</sup> The useful lives have been determined based on technical evaluation done by the Management experts which are different from the useful life prescribed in Part C of Schedule II to the Act, in order to reflect the actual usage of the assets. The residual values are not more than 5% of the original cost of the asset. The residual values, useful lives and method of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Land accounted under finance lease is amortised on a straight-line basis over the primary period of lease.

The carrying amount of an asset is written down immediately to its recoverable amount if the carrying amount of the asset is greater than its estimated recoverable amount.

Assets held under finance leases are depreciated over their expected useful lives on the same basis as owned assets. However, when there is no reasonable certainty that ownership will be obtained by the end of the lease term, assets are depreciated over the shorter of the lease term and their useful lives.

#### 9 Trade receivables:

Trade Receivables are recognised when the right to consideration becomes unconditional. These assets are held at amortised cost, using the effective interest rate (EIR) method where applicable, less provision for impairment based on expected credit loss.

#### 10 Trade and other payables:

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the EIR method.

#### Note 14: Fair value measurements

#### (i) Fair value hierarchy

This section explains the judgements and estimates made in determining the fair values of the agriculture produce (date palm fruit) that are recognised and measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Comapny has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

					(Amt. in ₹ )
Assets and liabilities measured at fair value - recurring fair value	Notes	Level 1	Level 2	Level 3	Total
measurements					
At March 31, 2020					
Biological assets					
Date palm FFB on trees				26,522	26,522
Total biological assets				26,522	26,522
Assets and liabilities measured at fair value - recurring fair value	Notes	Level 1	Level 2	Level 3	Total
measurements					
At March 31, 2019					
Biological assets					
Date palm FFB on trees				55,162	55,162
Total biological assets				***************************************	55,162

**Level 3**: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. There is no significant inputs based on observable market data to value present stage of flowering of date palm fruits hence date palm fruits (biological assets) are included in Level 3.

#### (ii) Fair value measurements using significant unobservable inputs (level 3)

(Amt. in ₹)

The following table presents the changes in level 3 items for the periods ended March 31, 2020 and March 31, 2019:

	Biological
	Assets
As at March 31, 2018	40,170
Acquisitions	-
Gains(losses) recognised in Profit & Loss	14,992
As at March 31, 2019	55,162
Acquisitions	-
Gains(losses) recognised in Profit & Loss	(28,640)
As at March 31, 2020	26,522

#### (iii) Valuation processes

The finance department of the Comapny obtains assistance of concern company field personel (Experts) to perform the valuations of Biological Assets (Fresh Date Fruits) required for financial reporting purposes, including level 3 fair values. This experts discussed to chief financial officer (CFO) on valuation processes and results are held between the CFO and the valuation team at least once every three months, in line with the Comapny's quarterly reporting periods.

The main level 3 inputs used by the Comapny are derived and evaluated as follows:

Date Palm Plant yield is determined based on the age of the plantation, historical yields, and climate-induced variations such as severe weather events, plant losses and new areas coming into production.

## Note 15.1 Earning per share
